

ERHS Advanced Class Policy

ERHS strives to allow every student who wants to achieve at an advanced class level to have the opportunity to do so.

- 1.** Any student who has been enrolled the prior year in an advanced class will be allowed to continue in an advanced class if they have achieved a C or better average.
- 2.** Any student who was not enrolled in an advanced class the prior school year will be reviewed individually by their grades or teacher recommendations.
- 3.** Any student who is allowed to enroll in advanced classes will be required to not miss more than 5% of the days in which the class is meeting.
- 4.** Any student who is allowed to enroll in advanced classes must turn in a minimum of 95% of the class/homework assigned in the class.
- 5.** Any student who is enrolled in an advanced class is also required to carefully read and adhere to the rules of the advanced class set forth by the teacher. This document will be provided to your student the first week of the advanced class.
- 6.** All advanced students will be reviewed by their grades, completed class/homework and attendance at each progress report and report card period. If a student is not attending, completing assigned work, or achieving a C average in the class, as mentioned above, they will be removed from the advanced class and rescheduled into a regular class.
- 7.** Advanced students are required to keep track of their grades, assignments and attendance. Our advanced teachers at ERHS will contact you immediately if your child is struggling in their class so that they may have the opportunity to correct any issues and continue to stay in the classes.
- 8.** No student will be scheduled for an advanced class without this form being signed and returned to the ERHS guidance department.
- 9.** Exceptions to the rules above may be reviewed due to illness/extenuating circumstances only and will be made on a case by case basis by ERHS administration.
- 10. Once you are in an advanced class, you must stay in that class.**
