

Testing Irregularity Report

A testing irregularity refers to any deviation from standardized conditions during testing (e.g., sudden illness, school emergencies) and must be documented with the Indiana Department of Education (IDOE). Complete this form to report a testing irregularity to IDOE's Office of Student Assessment. Refer to the Indiana Assessments Policy Manual for additional information.

Select the testing window in which the irregularity occurred. Note: Testing irregularities for the Digital SAT School Day must be reported via College Board's Irregularity Report. *
