The Flag Football Game
by Phin Brown

One day there was a flag football game, this game was like no other, it was the last game of the season. The game started with the opposing team (Fay), started with an offensive drive, Carroll was able to stop them, and they went for the 4th down. Fay lost the 4th down and Carroll started right behind the first down. Carroll then ran the ball and scored a touchdown, they went for one point and got it, which made the score 7-0 Carroll. It was now Fay's offensive turn, 16 got a pass and ran the ball for an impressive 45-yard touchdown, but they failed to get the extra point after going for two. That makes the score 6-7 Carroll. Carroll had yet another offensive drive to score, and they unfortunately threw an interception. After the defense went onto the field, they had an unexpected stop of the other team. Carroll is now back on offense, and on their first down they got an impressive 25-yard run. On second down, Ben threw a pass to get a first down. On the second first-down attempt, Carroll scored, which made the score 13-6 Carroll. They went for one and got it. Now on Fay's offensive drive, they were stopped by Carroll's defense, and went for the fourth down, but the Defense stopped- them. After Carroll's offense went on, they scored a touchdown, and failed to go for the extra point, making the score 20-6 Carroll. After Fay went on offense, Bennett scored an impressive pick-six. That made the score 26-6 Carroll. Now on Fay's offensive turn, they made a push for a touchdown to turn this game around. Some highlights from the defense on that drive include a great sack by Silas, and Fay was cut short on their drive by it being halftime. After halftime ended, Carroll started on offense. On first down, they started with a good run by Max putting them up to the 18-yard line. Carroll sadly failed to get the throw-off, and they went for it on 4th down. They sadly didn't get the first down off, putting the other team up to the 18-yard line. Carroll's Defense went on and got another amazing stop against Fay. Great job Carroll! Carroll started on first down by getting a run for the first down. They then got a touchdown on first down. That puts the score up to 34-6. On Fay's next offensive drive, there was an unfortunate flag called on a Carroll player, the outcome was the other team getting a free five yards. Despite the flag, Carroll's defense got yet another incredible stop before the other team got a first down! Carroll's offense went on the field looking to make the score 40-6, Bennett started with a great run for 12 yards. After that, Liam caught and ran a 13 yard play, giving them a first down. Bennett then performed another great play, catching the ball for a touchdown, putting the score up to 40-6. With Fay back on offense, they got a first down, and then ran the ball up to 2 yards away from the end zone. On fourth down, Fay scored but missed the 2 point conversion, putting the score up to 40-12, Carroll. On the first drive of Carroll's offense, Henry scored an impressive 50-yard run! Sadly, Carroll failed to score the 2 point conversion. That makes the score 46-12. Now that it is the last drive of the season, everyone was wondering if they would get 50 points in the last drive of the year. Julien then got a pick six, putting the score up to 52-12. Closing the game and season with a staggering 52 points. In conclusion, Carroll played amazing today and this game was an amazing way to close out the season. Great job this year, Carroll, and you have made us all proud!

Teachers Editors Note:

Phin was part of the JV flag football team this year, but due to an injury, he missed the last two weeks.
He decided to write this while he watched the last game of the season.
