

Neighborhood Liasion Committee

November 8, 2024

In attendance: Rachel Skiffer, Jerry Mullaney, Ana Gomez, Murali Naidu, David Gross, Rodney Thompson, Anne Purcell, Sam Palley, Sean LaVelle

Absent/Invited: Iris Merriouns, Paige Berardo

Start of the School Year and Upcoming Events

Ana shared highlights on when school started, discussed enrollment on modes of transportation other than single occupancy, and upcoming events. Neighbors appreciate we remind contractors to avoid parking on Alida.

Vegetation Management

Jerry shared that Head-Royce School cleared all vegetation inspections for the summer of 2024.

South Campus Update

Sam Palley notes that most major work is already done, we are waiting on city permits to begin work on Lincoln Ave. which will have the most noticeable impact on our neighbors. Neighbors shared frustration with vibration levels during the paving of the loop road, all parties agreed that HRS/Cahill should give greater attention to providing advanced notice ahead of impactful work. Speeding and traffic concerns were discussed, Cahill shared that part of the project includes a pedestrian walking beacon at Alida St. and Lincoln Ave.

Spring NLC Meeting

Murali asks the group about the timing and venue for the spring NLC meeting. The group agrees on the week of April 14–18 on the Head-Royce School campus.

Meeting adjourned.
