### **BV Middle School Student Receives OAGC Award**

Buckeye Valley Local Schools is proud to announce, that the Ohio Association for Gifted Children recently selected Mariana Elenis to receive their most prestigious student scholarship award: the 2024 Distinguished Student Award. The OAGC provides several student scholarship opportunities, but this award is unique in that applicants from across the State of Ohio must show evidence of using their exceptional talent to positively impact others in the community or communities that surround them. Last week, the OACGC recognized Mariana with the 2024 Distinguished Student award and a check for \$1000.00 to pursue her passions.

Mariana is a current 6th-grade student at BVMS whose passions include nature, insects, animals, wetlands, science, biology, math, nature conservation, and leadership. One of Mariana's most impressive achievements is a Biodiversity Garden passion project she completed as a fourth-grade student. She has taken the project beyond the classroom by collaborating with district administrators and a community mentor to implement her idea.

### Baron's Early Learning Preschool

The Baron's Early Learning Preschool is excited to announce that our peer model waitlist will be opening on January 10, 2025, at noon. If you are interested in the peer model program and your child will be 3 by August 1, 2025, please visit our district website to place your child on the Peer Model Waitlist.

Students will be selected on a first-come-first-served basis. Students who were placed on a waitlist for the 2024-25 school year and did not receive acceptance will need to place their child on the waitlist again. Students will be selected by April, and parents will be informed if their child is selected no later than May 2025.

### Preschool Information Night Announced

Preschool Information Night will be held on December 12th at 6 p.m. at both BV East Elementary and BV West Elementary. Please join us to learn all about the exciting opportunities and benefits our program offers for your child's early learning! Learn more [HERE](#).
