CSBA POLICY GUIDE SHEET
March 2023

Note: Descriptions below identify revisions made to CSBA's sample board policies, administrative regulations, board bylaws, and/or exhibits. Editorial changes have also been made. Districts and county offices of education should review the sample materials and modify their own policies accordingly.

Board Policy 0420.4 - Charter School Authorization

Policy updated to reference that, until January 1, 2025, the Governing Board is prohibited from approving a petition for the establishment of a new charter school offering nonclassroom-based instruction, and provide that a district under state receivership is not in a position to absorb the fiscal impact of a proposed charter school. Policy also updated to reference pending litigation brought by each of CSBA's Education Legal Alliance and Napa Valley Unified School District against the State Board of Education (SBE) regarding SBE's authority to reverse the denial of a charter school petition by making a determination that a board abused its discretion in denying the petition.

Administrative Regulation 0420.4 - Charter School Authorization

Regulation updated to reflect **NEW LAW (AB 740, 2022)** which extends to a foster youth's attorney and county social worker and an Indian child's tribal social worker, and if applicable, county social worker, required notifications regarding involuntary removal of a student, and provides that these individuals, with the addition of a foster youth's educational rights holder, have the same rights as a parent/guardian to receive a suspension notice, expulsion notice, manifestation determination notice, involuntary transfer notice, and other documents and related information. Regulation also updated to expand the material regarding (1) procedures for suspension or expulsion, including the requirement for written notice of the intent to remove the student and the right to initiate a hearing, and material related to processes for notification to the district when a student is expelled or leaves the charter school without graduating or completing the school year, and (2) the final audit when a charter school closes.

Board Policy 3555 - Nutrition Program Compliance

Policy updated to clarify that prohibited discrimination includes alleged discrimination on the basis of race, color, national origin, age, sex, sexual orientation, gender identity, or disability. Policy also updated to reflect United States Department of Agriculture CRD memorandum 01-2022, "Application of *Bostock v. Clayton County* to Program Discrimination Complaint Processing," which clarifies that prohibited sex discrimination includes discrimination on the basis of gender identity and sexual orientation. Policy also updated to include that complaints against a program operator that is not an educational agency shall be filed with or referred to the California Department of Education.

Exhibit(1) 3555 - Nutrition Program Compliance

Exhibit updated to reflect current language of the United States Department of Agriculture Nondiscrimination Statement.

Board Policy 4030 - Nondiscrimination in Employment

Policy updated to reflect **NEW LAW (SB 523, 2022)** which adds reproductive health decisionmaking as a form of prohibited discrimination, and prohibits an employer from requiring an applicant or employee to disclose information relating to an employee's reproductive health decisionmaking.

Board Policy 4218 - Dismissal/Suspension/Disciplinary Action

Policy updated to reflect **NEW LAW (AB 2413, 2022)** which prohibits a district from suspending, demoting, or dismissing a permanent classified employee who timely requests a hearing pending the outcome of that hearing.

Administrative Regulation 4218 - Dismissal/Suspension/Disciplinary Action

Regulation updated to clarify that a classified employee against whom a recommendation for disciplinary action has been issued may remain on active duty or may be placed on paid leave pending a hearing on the charges. Regulation also updated to reflect **NEW LAW (AB 2413, 2022)** which prohibits a district from

suspending without pay, suspending or demoting with a reduction in pay, or dismissing a permanent classified employee who timely requests a hearing unless it is found by a preponderance of the evidence at the time discipline was imposed that the employee (1) engaged in criminal misconduct, (2) engaged in misconduct that presents a risk of harm to students, staff, or property, or (3) committed habitual violations of the district's policies or regulations. Additionally, regulation updated to provide that a district may cease paying an employee if a decision has not been rendered within 30 days of the date the hearing was requested.

Administrative Regulation 5113 - Absences and Excuses

Regulation updated to reflect **NEW LAW (SB 955, 2022)** which includes, as another type of required excused absence, the absence of a middle school or high school student for the purpose of participating in a civic or political event, as defined, provided that the student notifies the school ahead of the absence, and **NEW LAW (AB 181, 2022)** which no longer requires the State Board of Education to update its illness verification regulations as necessary to account for including, as a personal illness excused absence, a student's absence for the benefit of the student's mental or behavioral health. Regulation also updated to clarify that absences for participation in religious exercise or to receive moral and religious instruction are excused, but that in order for districts to receive average daily attendance funding for such absences, the Governing Board is required to first adopt a resolution permitting an excused absence for such purposes.

Administrative Regulation 5131.41 - Use of Seclusion and Restraint

Regulation updated to clarify the limited exception when seclusion and/or behavioral constraint may be used, and to reflect that it cannot be applied for longer than necessary to contain the dangerous behavior. Regulation also updated to include, as appropriate, concepts from the December 2022 Davis Joint Unified School District Resolution Agreement with the U.S. Department of Education, Office for Civil Rights, regarding the use of seclusion and restraint as it relates to a free appropriate public education for students with disabilities. Regulation also updated to add a new section "Documentation of Seclusion and Restraint."

Administrative Regulation 5144 - Discipline

Regulation updated to incorporate **NEW GUIDANCE** from the U.S. Department of Education, Office for Civil Rights, issued to help districts support students with disabilities and avoid discriminatory discipline practices.

Administrative Regulation 5144.1 - Suspension and Expulsion/Due Process

Regulation updated to provide that "suspension" does not include removal from class, as specified, so long as removal from a particular class does not occur more than once every five school days, add definitions related to electronic acts as a mode of bullying, include that a teacher may, in addition to suspending a student from class, refer a student for specified acts to the Principal or designee for consideration of a suspension from school, and clarify that immediate suspension is required for any student found at school or a school activity away from school who committed any of the enumerated acts for which a recommendation of expulsion is required. Regulation also updated to reflect **NEW LAW (AB 740, 2022)** which provides for additional due process procedures for suspension of foster youth and Indian children.

Administrative Regulation 5144.2 - Suspension and Expulsion/Due Process (Students with Disabilities)

Regulation updated to reflect **NEW GUIDANCE** from the U.S. Department of Education's Office of Special Education and Rehabilitative Services, which recommends that districts identify ways to significantly reduce the use of exclusionary discipline and its disproportionate effect on student with disabilities, and the U.S. Department of Education's Office for Civil Rights, which provides that, for a student with a disability under Section 504, schools are required to conduct a manifestation determination before implementing a disciplinary removal that will significantly change the placement of the student due to discipline for (1) removal from class or school for more than 10 consecutive school days, or (2) a series of removals from class or school that together total more than 10 school days in a school year and constitute a pattern of removal. Regulation also updated to emphasize that suspension or expulsion of a student with disabilities be in accordance with Board Policy 5144.1 - Suspension and Expulsion/Due Process, and that when a student with disabilities exhibits behavior which impedes the student's own learning or that of others, the student's individualized education program (IEP) team consider positive behavioral interventions and supports, and other strategies, to address the behavior. Additionally, regulation updated, for conceptual alignment, to move material regarding the monitoring of the number of days of a suspension of student with an IEP, and reflect

NEW LAW (AB 740, 2022) which provides that a foster youth's educational rights holder, attorney, and county social worker, and an Indian child's tribal social worker and, if applicable, county social worker, have the same rights as a parent/guardian to receive a suspension notice, expulsion notice, manifestation determination notice and invitation to the manifestation determination meeting, involuntary transfer notice, and other documents and related information.

Administrative Regulation 6115 - Ceremonies and Observances

Regulation updated to reflect **NEW LAW (AB 1655, 2022)** which adds June 19, "Juneteenth National Independence Day," to the list of holidays on which public schools must be closed and **NEW LAW (AB 1801, 2022)** that adds Genocide Remembrance Day to the list of days districts are authorized to close. Regulation also updated to clarify language regarding days on which schools are required to be closed based on appointment by the Governor or President, and to encourage districts to observe a moment of silence on September 11th Remembrance Day, as authorized by law.

Board Policy 6146.1 - High School Graduation Requirements

Policy updated to reflect **NEW LAW (SB 532, 2022)** which expands and strengthens the exemptions from graduation requirements for highly mobile student populations, and includes a requirement for districts to annually report to the California Department of Education regarding the number of students who, for the prior school year, graduated with an exemption from district-established graduation requirements, as specified.

Board Policy 6173 - Education for Homeless Children

Policy updated to reflect **NEW LAW (AB 408, 2022)** which (1) **mandates** that districts establish homeless education program policies and update those policies at least once every three years, and (2) requires the liaison for homeless students to offer annual training to district employees providing services to students experiencing homelessness and to inform such employees of the availability of training and the services provided by the liaison. Policy also updated to reflect **NEW LAW (AB 2375, 2022)** which requires districts, regardless of whether they received American Rescue Plan Act of 2021 funds, to annually administer a housing questionnaire for the purpose of identifying students experiencing homelessness, including unaccompanied minors, and annually report that number of students to the California Department of Education (CDE). Additionally, policy updated to reflect **NEW LAW (SB 532, 2022)** which requires districts to annually report to CDE the number of students experiencing homelessness who graduated with an exemption from district-established graduation requirements that are in addition to statewide coursework requirements. Policy updated throughout to change language from "homeless student" to "student experiencing homelessness."

Administrative Regulation 6173 - Education for Homeless Children

Regulation updated to reflect **NEW LAW (AB 408, 2022)** which (1) **mandates** that districts establish homeless education program policies and update those policies at least once every three years, and (2) requires the liaison for homeless students to offer annual training to district employees providing services to students experiencing homelessness and to inform such employees of the availability of training and the services provided by the liaison. Regulation also updated to clarify what factors to consider when determining the "best interest" of the student in enrollment decisions. Additionally, regulation updated to reflect **NEW LAW (AB 181, 2022)** which exempts a student classified as unduplicated from paying a fee for transportation and **NEW LAW (SB 532, 2022)** which provides, when a student experiencing homelessness transfers into a district school, for additional requirements regarding the transfer of coursework and credits, exemptions from district-established graduation requirements, and for the option to remain in school to complete district-established or statewide course requirements. Regulation updated throughout to change language from "homeless student" to "student experiencing homelessness."

Board Policy 6173.1 - Education for Foster Youth

Policy updated to move material regarding a safe learning environment toward the beginning of the policy as it is philosophical in nature and has general implications, and reflect **NEW LAW (SB 532, 2022)** which requires districts to annually report to the California Department of Education regarding the number of foster youth who, for the prior school year, graduated with an exemption from district-established graduation requirements that are in addition to statewide coursework requirements.

Administrative Regulation 6173.1 - Education for Foster Youth

Regulation also updated to align the definition of "school of origin" with code language, reflect **NEW LAW (AB 740, 2022)** which provides that a foster youth's educational rights holder, attorney, and county social worker have the same rights as a parent/guardian to receive a suspension notice, expulsion notice, manifestation determination notice, involuntary transfer notice, and other documents and related information and **NEW LAW (SB 532, 2022)** which provides, when a foster youth transfers into a district school, for additional requirements regarding the transfer of coursework and credits, exemptions from district-established graduation requirements, and for the option to remain in school to complete district-established or statewide course requirements.

Board Policy 6177 - Summer Learning Programs

Policy updated to clarify that summer learning programs are part of the Expanded Learning Opportunities (ELO) Program and to reflect the requirements of the ELO programs to offer access to specified students, as provided in **NEW LAW (AB 181 and 185, 2022)**. Policy also updated to reference **NEW GUIDANCE** from the California Department of Education which clarifies that districts are prohibited from charging fees for summer school.

Administrative Regulation 6184 - Continuation Education

Regulation updated to more closely align with code language the component of the district's continuation education program that is in regard to coordinating instruction and training with the student's home, employment and other agencies and reflect **NEW LAW (AB 740, 2022)** which (1) extends the requirement to provide written notice of the opportunity to request a meeting with the Superintendent or designee prior to an involuntary transfer, to a foster youth's educational rights holder, attorney and social worker, or an Indian child's tribal social worker, and if applicable, county social worker, and (2) provides that a foster youth's educational right's holder, attorney, and county social worker, and an Indian child's tribal social worker, and, if applicable, a county social worker, have the same rights as a parent at such meeting with the Superintendent or designee. Regulation also updated to include an additional condition required by law for voluntary enrollment in continuation education classes, which is that the transfer is voluntary and that the student has a right to return to the student's previous school.

Board Bylaw 9270 - Conflict of Interest

Bylaw updated to reflect **NEW LAW (SB 1439, 2022)** which makes applicable to elected district officers the prohibition against accepting, soliciting, or directing a contribution of more than \$250 from any party or participant to a proceeding involving a license, permit, or other entitlement for use, including a contract, or from that person's agent, while the proceeding is pending before the Board and for 12 months following the date a final decision is rendered in the proceeding, and from participating in making, or in any way attempting to use the official position to influence the Board's decision when a district officer received a contribution of more than \$250 from a party or participant in the preceding 12 months, as specified. Bylaw also updated to clarify, for a Board member who manages public investments, that when an item on the consent calendar is one in which the Board member has a financial interest, the Board member is required to either make a motion to remove the item from the consent calendar or abstain from voting on the consent calendar.

Board Bylaw 9320 - Meetings and Notices

Bylaw updated to reflect **NEW LAW (AB 2449, 2022)** which (1) requires Boards to maintain and implement a procedure for receiving and resolving requests for reasonable accommodation for individuals with disabilities, to resolve any doubt in favor of accessibility, and to give notice of the procedure for receiving and resolving requests for accommodation in each instance in which notice of the time of a meeting is otherwise given or the agenda is otherwise posted, and (2) adds procedures for "Teleconferencing During a Personal Emergency" and "Teleconferencing for 'Just Cause'". MEMORANDUM OF UNDERSTANDING
between the
SOUTHERN KERN UNIFIED SCHOOL DISTRICT (“District”)
and
CALIFORNIA SCHOOL EMPLOYEES ASSOCIATION AND ITS ROSAMOND
CHAPTER NO. 587 (“CSEA”)

The California School Employees Association and its Rosamond Chapter No. 587 ("CSEA") and the Southern Kern Unified School District ("District") have met and enter into this Memorandum of Understanding ("Agreement") to adhere to Education Code section 45102 for classified employees whose work assignment is less than 12-months ("Employees"), and who work during school sessions at times other than the regular August to May academic year as follows and to provide retroactive sick leave and vacation for employees not regularly assigned who worked extra (supplemental) hours and during the summer/Extend School Year (ESY) for fiscal years 2022, 2023, and 2024 as follows:

1. Employees who work during school sessions at times other than the regular August to May (June for 11-month Employees) academic year shall accrue additional sick leave and vacation leave for all additional hours worked in the assignment.
2. The District will retroactively credit employees who worked extra hours and/or the summer/ESY in any of the years 2022, 2023, and 2024 with sick leave pursuant to the formula calculated by taking employees total annual sick leave allowance divided by total annual work hours to get daily sick leave accrual and then multiplying by the number of hours in the extra hours and/or summer/ESY assignment. Example: 80 hours sick leave/1440 hours (180 workdays at 8 hours/day) = 0.0556 then 0.0556 x 160 hours summer assignment (20 days at 8 hours/day)= 8.896 sick leave hours earned.
3. The District will retroactively compensate employees who worked extra hours and/or the summer/ESY in any of the years 2022, 2023, and 2024 with vacation leave pursuant to the formula calculated by taking employee's annual vacation leave hours divided by total annual work hours for a daily vacation accrual and then multiplying by the number of work hours in the extra hours and/or summer/ESY assignment. Example 160 vacation hours (20 days at 8 hours)/1440 work hours (180 days at 8 hours/day)=0.111 x 160 hours summer assignment (20 days at 8 hours/day)= 17.76 vacation hours.
4. Both Parties agree that should a 10-month employee be required to work during a holiday, the District will follow language in Article 5 – Vacation and Holidays, of the Collective Bargaining Agreement between the Southern Kern Unified School District and California School Employees Association and its Rosamond Chapter #587.
5. This MOU shall apply to bargaining unit members who are current employees of the District upon ratification of this MOU.
6. This MOU does not establish a precedent or create a past practice in regard to the subject matter set forth herein.

Any difference arising from the interpretation, administration, or application of this proposed language may be addressed through the grievance procedure set forth in Article 13 of the CBA or any other mechanism available by law.

By affixing their signatures to this MOU, the Parties acknowledge that the matter set forth herein is agreed. The signatories have represented that they are the authorized representatives of the Parties to this MOU and that all actions necessary for the Parties to ratify and accept this MOU as a binding and bilateral agreement will be completed in a manner required by their respective internal policies and/or is required by law. More specifically, this MOU is subject to ratification pursuant to CSEA Policy 610 and subsequent board approval.
