If your family is experiencing difficulties at home, I would like to provide additional support at school. I understand that you are not always able to share details and that's okay.

If your child is coming to school after a difficult night, morning, or weekend, send in this note. Nothing else will be said or asked. This will help me know that your child may need extra time, patience, or help during the day.

If your child needs additional support, please contact the school counselor.

If your family needs additional support, we are here to help!
