### LEA Reservation to Address Loss of Instructional Time

LEAs must reserve at least 20 percent of funds to address loss of instructional time through the implementation of evidence-based interventions and ensure that those interventions respond to students' social, emotional, and academic needs and address the disproportionate impact of COVID-19 on underrepresented student subgroups.

Addressing the Loss of Instructional Time can occur before the school day, during the school day, after the school day, on weekends, or during the summer. All items budgeted in this section must be addressing the loss of instructional time. In order to address the loss of instructional time, a student must be gaining missed instruction while not losing out on current year instruction.

For the 20% reservation to address the loss of instructional time, the following interventions are allowable:

- A. Summer Learning & Summer Enrichment Programs
- B. Extended Day Programs
- C. Comprehensive After-School Programs
- D. Extended School Year Programs
- E. Other
