Dear Community,

The Administration and the Sudbury School Committee are actively engaged in the budget process for the 2025-2026 academic year.

We would like to share some key dates in the budget process with you so you can stay informed and participate. During Budget Review meetings, the Administration and the School Committee engage in discussion regarding the proposed budget. Some topics reviewed and discussed during the budget process include: projected enrollment, MCAS data, Student Services report and the MetroWest Health Study results. All School Committee meetings provide an opportunity for public comment. The Budget Hearing is mandated by law and must occur at a particular time in the budget process. It is an opportunity for the community to participate in the budget process, attend the Hearing and provide feedback regarding the proposed budget.
