

CHESTNUT HILL ACADEMY CHESS CLUB

The Chess Club on Thursday is open to K-5 grades from beginning level to advanced competitors who would like an additional fun time and who would like to have another opportunity to master in chess. It will begin on **Thursdays from 3:45-4:45** except holidays. There are three programs for students to enroll and learn the "royal" game. Coach Chouchan (aka Shoushan),

whose students won victories on a regular basis, will teach the Chestnut Hill Chess club. Her style of coaching is very encouraging, and she focuses on bringing out the students' strengths rather than forcing them into a particular style.

Program 1, Fall: **Sept. 12, Oct. 3, 17, 24, 31, Nov. 7, 14, and Dec. 5.**

Program 2, Winter: **Jan. 9, 16, 23, 30, Feb. 6, 13, 27, and Mar. 6.**

Program 3, Spring: **March 20, 27, April 3, 10, 24, May 1, 8, 15, 22, and 29.**

The goal is to have fun in the chess club. Each session starts with an 8-10 minute lecture, then 15-20 minutes puzzle solving/practice, 25 minutes play and 5 minutes to review the previous week's topics. The students learn chess by watching, practicing, playing and teaching others. Extensive research has shown that if chess is introduced at younger ages, it has a dramatic impact on student's grades, strategic thinking, brain development and improves their social skills.

If you have any questions, please contact Coach Chouchan at chornyaa@msn.com or call 206-914-4252.

Please email this portion **Chouchanik Airapetian** and process the tuition via Venmo at ChessMaster19 or Zelle.
