Discussion:

- SGT Training: Check in on who is able to attend training
- Marietta City Schools Options:
 - Option A: School Calendar follows similar calendar as 2024-2025 for both semesters; End of school is May 26th, Post-planning is May 27th and 28th
 - Option B: Fall semester is similar, February differs with only 1 day off versus a Winter Break; Last day of school would be 20th for students and Post Planning would be 21st and 24th for staff
 - 2026-2027 and 2027-2028 follow for both options
 - Dunleith voted on Option A.
- SPLOTS Money and charter funds- \$133,000-\$245,000 cost of a new playground; working with maintenance on obtaining a safety fence to separate the playground from the parking lot

- SPLOTS Funds \$25,000 for the playground- fence is a priority; replacing swings, repainting basketball court lines, repaving court, adding picnic tables, etc.
 - Original plan for \$10,000.00 of the Charter Funds to pay for the fence on the K/1 Playground but we will use SPLOTS Funds
 - We discussed and voted to use &13,000 of Charter Funds - to replace classroom mats for safety purposes
- Open Discussion: Questions, Concerns,
 - What is the timeline of this taking place?
 - The playground project would take place in the summer due to getting proposal approved and completing the project when school is not in session.
 - Will there be leftover costs after the mats?
 - Unfortunately with costs, the classroom mats will take the majority of funds and will take priority. Consolidated funds in the future will be used for security and safety.
- Next SGT Meeting: December 10th, 2024, 7:30-8:00
- Meeting Adjourned: 8:01 AM
