Early Childhood Literacy Targeted Professional Development Plan

TECS and TES will partner with ESC 4 to train all classroom teachers in Texas Reading Academies. The teachers, Instructional Coaches, and Interventionists will work together to desegregate data to provide purposeful, structured, interventions during WIN time and small group instruction. The Instructional Coaches will also provide PD on how to pull selected reports to best analyze the data for each student. Data meetings will occur in a timely manner after each assessment in order to monitor and adjust interventions and instruction as needed.
