

PUBLIC NOTICE TO CONTRACTORS

Notice is hereby given that the Natomas Unified School District will update its list of qualified bidders to be notified of public projects advertised under the informal bidding rules. In accordance with the State of California Uniform Public Construction Cost Accounting Commission, the District is inviting all interested licensed contractors to submit their company information for inclusion on the District's list of qualified bidders for the calendar year 2025. Pursuant to California Public Contract Code §22032, any Public Works project that is estimated to be below \$220,000 (effective January 1, 2025) is subject to the informal bidding procedures set forth by the State of California Uniform Construction Cost Accounting Commission. All trade categories are subject to informal bidding procedures. Contractors that are interested in being on the 2025 informal bidding approved contractors list are required to have a current State of California contractors license in the appropriate classification and are subject to verification through the Contractors State License Board. Contractors are also required to be a registered public works contractor and are subject to verification through the Department of Industrial Relations.

Natomas Unified School District (NUSD) has contracted with Colbi Technologies QualityBidders to provide a web-based process for submission of applications. Licensed contractors interested in being included on this list should go to www.qualitybidders.com and follow the instructions for submitting a CUPCCAA application to NUSD. Applicants will receive notification of approval by email. Email facilities@natomasunified.org or qbsupport@colbitech.com with any questions.

In addition to the CUPCCAA application, all General Contractors (A and B) and Mechanical, Electrical, Plumbing and Iron/Structural Steel (C-4, C-7, C-10, C-16, C-20, C-34, C-36, C-38, C-42, C-43, and C-46) contractors and subcontractors interested in bidding on projects in excess of \$250,000 need to complete the Pre-Qualification Application, also available on QualityBidders at www.qualitybidders.com. Please note that the NUSD adopted Board Policy has additional pre-qualification requirements. You can find more information about these requirements by visiting the District website at <https://www.natomasunified.org/departments/facilities-and-strategic-planning/pre-qualification-process>.

The Natomas Unified School District may create a new contractors list effective January 1st of each year and may include any contractors name it desires on the contractors list but must include at a minimum all contractors who have properly provided the school district with a required registration information, either during the calendar year in which the list is valid or during November or December of the prior year. A contractor may have their firm added to the school district's contractors list at any time by providing the required information subject to all applicable laws, regulations and standards.
