Teacher Licensing | Graduate Certificate

Austin Peay State University
CLARKSVILLE TENNESSEE

Certificate Information

Interested in earning your teacher licensure but not sure you want to pursue a graduate degree? The Teacher Licensing Non-Degree Certificate could assist you.

This certificate allows those who have a bachelor's degree outside of Education to earn a teacher license without pursuing a graduate degree. Students are employed as a teacher while completing licensure requirements.

Program Quick Facts

- 1 year, fully online, graduate certificate program
- Candidates in this program are eligible to be hired by a school district as a job-embedded teacher while completing coursework
- Coursework is designed to give candidates the skills and knowledge to become effective educators in the classroom
