

SOARING TO EXCELLENCE  
**EASTCHESTER**  
UNION FREE SCHOOL DISTRICT

# Superintendent Search

The Eastchester Union Free School District is located 22 miles from midtown Manhattan in the Town of Eastchester. The Town, founded in 1664, is a community with a rich history. Its location in southern Westchester is a draw for those desiring a suburban location within easy reach of the many cultural opportunities of New York City as well as accessibility to area beaches, mountains and other recreational areas.

The Eastchester School District is known for its commitment to excellence and provides students with a comprehensive education that stresses academic achievement and personal growth. The District's curriculum fully integrates the New York State Learning Standards and the Next Generation Learning Standards. The District, comprised of five schools serving almost 3,200 students, provides a wide variety of course offerings at all levels to challenge students to meet their potential while focusing on individual needs.

## MISSION STATEMENT

It is the mission of the Eastchester Public Schools to provide a quality education in a safe, stable and secure environment that fosters mutual respect, promotes the uniqueness of the individual, provides opportunities for student successes, and guides all students intellectually, emotionally, physically and socially.

A graduate of the Eastchester Schools will be:

- A respectful individual.
- A lifelong learner.
- An effective communicator.
- A complex thinker and problem solver.
- A competent and responsible user of technology.

The district consists of three elementary schools, a middle and a high school.

The 2024-2025 enrollment is 2,956 students.

The district offers 50 elective courses and more than 75 extracurricular activities.

91% of students pursue postsecondary education upon graduation.

- Fully refreshed classroom technology as of 2024, including teacher laptops with wireless casting for maximum mobility.
- Well-maintained VoIP system districtwide, with upgrades in 2024.
- Undergoing a network infrastructure project, including new wireless access in all buildings.
- Door access project completed in 2024 to add wireless locks to every hallway door in every school and integrate these locks into lockdown protocol.
- Fully functional security technology infrastructure including lockdown and lockout protocols.
- School Resource Officers stationed on each of the District's five campuses.
- K-12 commitment to ongoing professional development.
- Academic Intervention Services: Innovative special education programs providing a full continuum of services for all Eastchester children.
- Financial stability.
- Collaboration with school PTAs, the Eastchester School Foundation and the Eagles Sports Club to continue the mission of educating the whole child, helping each individual to become a life-long learner and good citizen.
