- Riverview is piloting a reading intervention program called Lexia and we are seeing positive student growth, and lots of excitement from students with each milestone achieved!
- Our leadership group that leads the morning announcements has done a great job jumping right in and taking their role very seriously.
- Parent/Teacher Conferences were great and provided another opportunity to partner in your child's learning! We appreciate everyone who was able to take time to meet with our teachers to work toward supporting the future of our community!

## Other Information/pictures:

- Be sure to check out our Riverview Website as another mode of receiving information!
- <https://res.gfps.k12.mt.us/>
- Our lost and found is filling up quick! We encourage you to have your student check for their items. We do allow items to accumulate for about a month before we take items to other schools in need or goodwill.
- At times there are students in the community in need of items. Sometimes they are students at Riverview. Please take time to check out the link and see if there are any you might be able to help fulfil.
