- Shout out to our sixth-grade students on the bus who were a major help with their kindness, cooperation, and support with younger students. There has been a sub bus driver who was unfamiliar with the route, and our sixth-grade students really stepped up to help out!
- Our fifth-grade students went to the symphony last week Friday, and wow! The number of compliments about how great our students were (both from within and in the community) shows why Riverview has the best!

- Our lost and found is filling up quick! We encourage you to have your student check for their items. We do allow items to accumulate for about a month before we take items to other schools in need or goodwill.
- At times there are students in the community in need of items. Sometimes they are students at Riverview. Please take time to check out the link and see if there are any you might be able to help fulfil.
