- We have the most innovative/fun teachers at Riverview! Our fourth-grade students recently learned about mining in their Science/Social Studies curriculum and got the chance to mine for chocolate chips from cookies!
- Adding to the bragging about our staff they are doing a great job educating students using our Character Strong curriculum! The use of the language from the program and the fun activities being implemented show the buy-in for both sides!

### Other Information/pictures:

- Be sure to check out our Riverview Website as another mode of receiving information!
- *Due to the compliance with our volunteer procedures and needing to screen if time will be spent unsupervised with students, we will not be able to have students ask a friend to join them at lunch. If you*

*wish, you can join student in the lunchroom where our aides are. We will not take parent permission over the phone due to the liability if something were to occur. Thank you for your understanding in this matter.*
