# Welcome to Crosby ISD's new website

We are thrilled to announce the launch of our new website! The website's last refresh was nearly a decade ago.

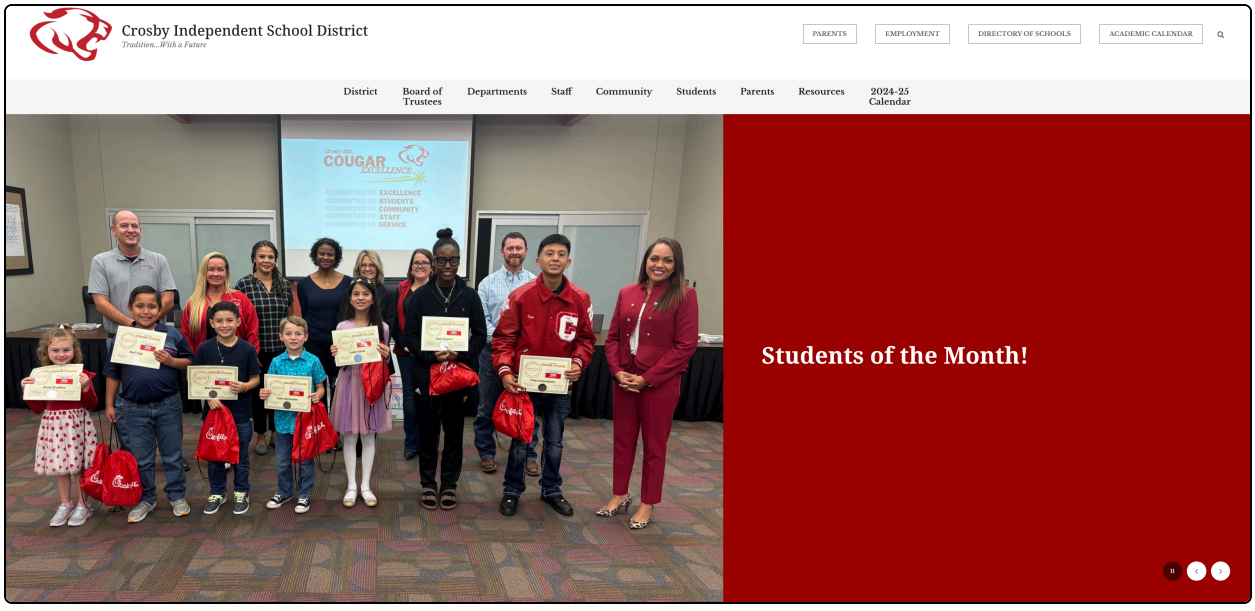

Our new district and campus pages feature modern, easy-to-navigate, accessible designs that will make it easier for you to find the information you need. Whether you're looking for information on our academic programs, extracurricular calendars, lunch menus, or school policies, you'll be able to find it quickly and easily. The website is also ideally built for mobile. With our new design, you can quickly navigate anywhere on the site, regardless of which device you're using.

In addition to our improved navigation and design, we have added a number of new features to the site, including enhanced language translation and a news and events section where you can read about the latest happenings in the Crosby ISD communities, including student achievements, news, and much more. You can quickly jump to school websites by clicking the *Schools* button at the top of the page. Similarly, you can return to the district site from any school site by clicking the *District* button at the top of the school site.

Responding to feedback from families, students and staff, the new site's modernized design prioritizes ease of access in a clean, visually appealing layout. Information is provided using a "one-stop-shop" philosophy to reduce clicks and the need to open multiple browser windows. The site's streamlined, simplified design was intended to improve navigability, decrease load times, and make for a generally more enjoyable user experience.

Our new district and campus websites will help us better serve our students and their families. We are committed to continually improving our community engagement efforts and our updated online presence, combined with ParentSquare, will make it easier for you to communicate with us and for us to communicate with you.

Please keep in mind it will take some time for search engine optimization to find the new pages again. During this transition period, we ask that staff members or parents navigate on the website itself to find what they are looking for. Searches won't be friendly until the new website fully caches into search engines. We appreciate everyone's patience and understanding as we roll out this major update.

We invite you to visit **www.crosbyisd.org** and explore all the new features we have to offer. Thank you and Happy Thanksgiving.

# P3 Anonymous Alerts

campus

Crosby ISD utilizes the P3 Campus Alerts App for anonymous tip reporting. P3 stands for Protect, Prevent, Participate. The program is student-focused, as opposed to crime-focused, meaning it is a tool for alerting caring adults about students who need help—not snitching. This is part of our continuous effort to increase campus and student safety, and provide students with a safe, completely anonymous outlet to share concerns. You can make a report now in less than 5 minutes.

**WHAT IS THE P3 CAMPUS ALERT APP?**
The P3 Campus Alerts App is a reporting system to help combat bullying and other safety concerns by empowering students or parents to make anonymous reports. The system allows for one-way or two-way anonymous encrypted communications between submitters (students or parents) and campus/district administration and school staff. Users have the option to remain anonymous or include their identity when submitting a report.

**HOW TO ACCESS THE APP**
**Send reports over web or internet**
You can also download the P3 Campus app for your mobile phone
**Apple Store**
**Google Play**

**HOW TO SEND A REPORT**
To send reports over the internet, go to **www.p3campus.com**
To send a report from your phone:

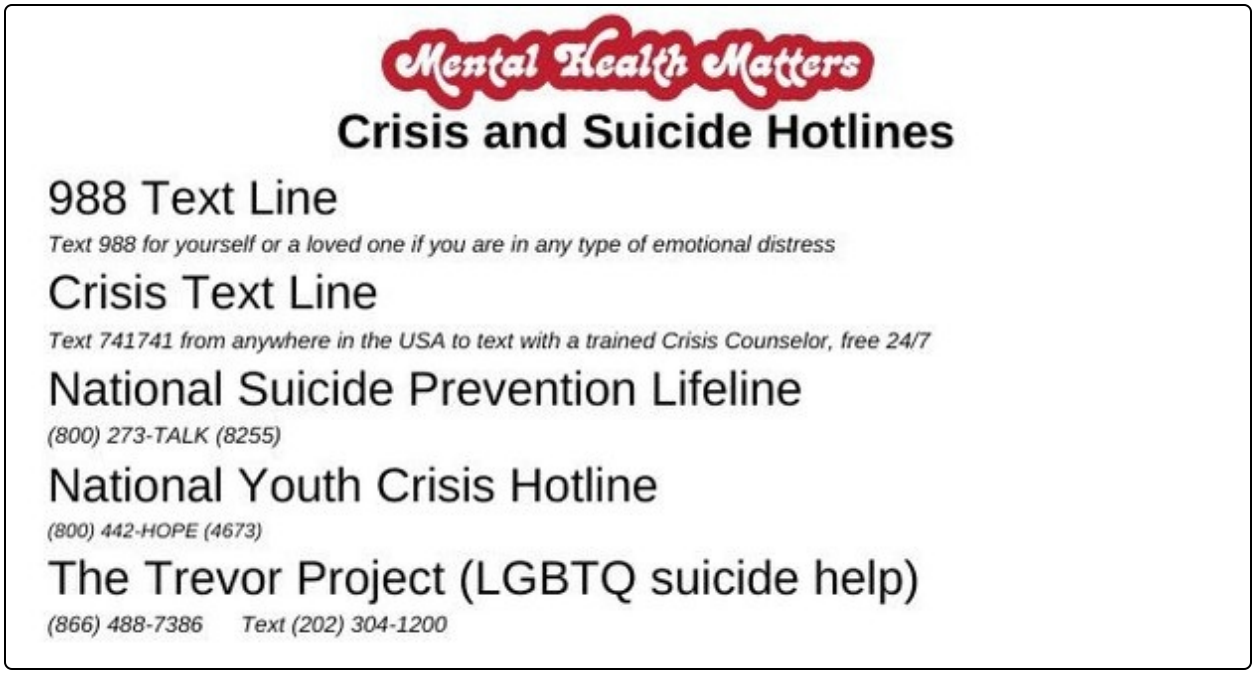

- Download the P3 Campus Alerts app for free from the Apple Store or Google Play.
- Start the app.
- Select Crosby ISD Submit report
- Add screenshot, photo, or video about the incident

**HOW ALERTS ARE HANDLED**
Reports will be addressed by a trained team of school officials and law enforcement, when necessary. Reports are monitored 24/7 to ensure that time-sensitive matters are dealt with promptly. Reports made through the P3 Campus mobile app, unlike SMS text reports, have no length limitations or the need to remember a short code. Additionally, when reporters use the mobile app, they are noti ed when action has been taken on their report, which demonstrates the value of their time and concern. In both the web browser and app form, reporters can attach photos, screenshots, videos, documents or audio r

# Application for Free and Reduced Meal Program

Free or reduced meal benefits from the 2023-24 School Year will expire on September 23, 2024. Families should apply now to ensure their student or students continue to receive free or reduced meal prices. If you have not applied this year, please scan the QR Code above or use this link: **www.schoolcafe.com/crosbyisd**. You will be directed to the SchoolCafé application for the 2024-25 School Year. Each household needs to submit only **one** application. Submitting additional applications slows down the application process and can cause benefit denials. Parents can easily access the application link on their SchoolCafé account or by visiting **www.schoolcafe.com/crosbyisd**.
