**A Message from the Tutoring Coordinators:** The OWL tutoring program will begin toward the end of October. The tutoring program is an opportunity for our middle school students to get a little additional help from our upper-level students (10th -12th grade). Every Thursday

during crew time, we do academic support and provide a 40-minute block of time for our tutors to meet and support students requesting a tutor. These relationships are very positive as our younger students really look up to our upper-class students. Additionally, our upper-class students have navigated the classes in middle school and can provide sage advice on how to turn things in on time and prepare for assessments. There are occasions when our upper-class students can even provide some tutoring after school. Please use the link below to indicate your interest in the tutoring program for your child.

## **Important Reminder about Attendance:**

If your child is going to miss school, please call, email [owlattendance@spps.org](mailto:owlattendance@spps.org) or write a note to explain the reason for the absence. If we do not hear from you, the absence is documented as unexcused. After 3 days of unexcused absences, you will receive a letter from the school reminding you to please communicate with us so the absence(s) may be documented accurately. If your child continues to miss school, unexcused, he/she will be referred to the SAM (School Attendance Matters) Program for intervention.

The following reasons for absence qualify as an excused absence; illness, doctor, dental or therapy appointment (please be sure to obtain a note to give to the school), extreme family emergency or religious holiday not already recognized by our school district. When a student misses 3 or more class periods in one day, this is considered to be a full day of absence. Please call us if you have any questions/concerns.

## **OWL Schoolwide Norms**

- Respect people, their boundaries and identities, materials, and spaces
- Be kind, caring and friendly, especially when it's difficult
- Keep an open mind: engage in opportunities and courageous conversation
- Help create safe and brave spaces so that everyone can be their authentic selves and speak their truths

- Actively listen and participate (one mic, one voice), staying engaged and following through on commitments and expectations. *We are Crew, not passengers.*
