List of pre-approved activities

Your Individual Professional Development Plan (IPDP) must be written and approved before the activities you are using for renewal purposes occur. As of September 22, 2022, if you choose any of the following pre-approved activities, you will no longer need to submit the Pre-Approval and Evaluation of Professional Development forms. It is your responsibility to keep an IPDP on file and submit proof (certificates and/or transcripts) of all finished coursework to the LPDC when you are ready to renew your license. The committee suggests you do that in November of the year before your license needs to be renewed. This would allow ample time for the submission process and time to do more coursework in the event you need any additional credit.

Pre-approved activities:

(You will NOT need to submit pre-approval or PD evaluation forms, if you choose, from this list. You WILL need to submit transcripts and certificates at the time of renewal.

Process for Renewing a Five-Year License

General Information:

1. All LPDC meetings are held on the third Wednesday of each month (except July) unless otherwise announced.
2. Please use the computerized forms on your desktop so you can simply type your answers in the forms, this will keep the forms neat and keep us from trying to decipher handwriting.
3. Remember to submit the original and four copies of each form you present to the LPDC for approval.
4. Make sure you choose your professional development classes/activities wisely so you can meet as many PD standards as possible. Remember, you must satisfy all six PD standards before your application for renewal will be approved.
5. Most importantly, keep in mind that all of these requirements, guidelines, and timelines are your responsibility. If you lose your license, you lose your job.

Individual Professional Development Plan (IPDP):

1. First, you must decide what your professional plan (goals) will be for the next five years. This plan may include getting an additional undergraduate/graduate degree, or simply taking various classes, workshops, seminars, webinars, or equivalent activities that are relevant to your teaching position. These are your personal professional goals and should be expressed in your own words. These goals do not come from a book. You must include at least three goals in your plan, but no more than five.
2. After completing your goals, refer to the “*Ohio Standards for the Teaching Profession*” (located in each school library or on the LPDC desktop icon labeled “Teaching Profession Standards”) and locate the seven standards listed on page five. Any and all of the standards that apply to your goals should be written directly under the goal it applies to on your IPDP form. Some goals may cover more than one standard and some standards may apply to more than one goal, list them all. It is important to note that your goals may not cover every standard, this is okay.
3. Remember to submit the original IPDP and four copies. Also, attach a copy of your current license.

Pre-Activity Form:

1. Complete all questions on the pre-activity sheet including all requested dates. Read each question carefully and answer accordingly.
Under the heading “Description of PD” simply describe the class or activity, what will be covered, how long it will last, and your reason for taking the class. Please attach any handout, flyer, or class syllabus you may have that better describes the class or activity.
2. Under the heading “IPDP Goals” simply refer back to you IPDP and choose one or more of your 3-5 goals that apply to this class/activity. Write out the goal or goals that apply under this heading.

Evaluation Form:

1. Within thirty days of completing the professional development class/activity described and approved in the pre-activity form, you must submit your evaluation form.
2. Please attach a copy of your pre-activity form to your evaluation form when submitting to LPDC.
3. When completing the evaluation form, remember to explain how the PD enhanced and/or broadened your knowledge of the teaching field covered by the PD.
4. Teachers will use the “Ohio Standards for Professional Development” to complete the evaluation form. Please note that there are six PD standards and they are different from the seven teacher standards used to complete your IPDP. These PD standards can be found on page seven in the books located in each library titled “*Ohio Standards for the Teaching Profession*” or on the LPDC desktop icon labeled “Professional Development Standards”.
5. You must decide which PD Standard/s were met by completing the class/activity described on your pre-activity form. One class/activity could meet only one PD standard or it could meet multiple PD standards.
6. The only “catch” is that all six PD standards must have been met prior to our approval of your application for renewal. It is important for you to be sure you meet all six PD standards before applying for a new license. *For example, you take two three semester hour courses to renew your license. One three hour course covers standards 1, 2, and 3, while the second three hour course covers standards 4 and 5, you are still one standard short (standard 6) for renewal. You may have all six semester hours needed for renewal, but not have all six PD standards.*

Summary Form:

1. The committee will keep a summary form on file for each employee as he/she makes submissions to renew their license.
2. This form will include all professional development activities approved by the LPDC and the standards met by the professional development.

3. It is strongly recommended that you keep an up-to-date summary form in your personal records as well.
