

The background is a collage of various decorative tiles. Some tiles feature lemons with green leaves, while others have intricate blue and yellow floral or geometric patterns. Green palm fronds are visible on the left and right sides. The entire composition is set against a solid blue background.

Overall Goal

To reinforce the *Global Citizenship, Social Skills, & Growth Mindset* attributes we are looking to develop in our students at New Providence High School.

Essential Questions:

- How do we guide our students to embrace global citizenship in an authentic and immersive way?
- How do we instill a growth mindset in our students so they become lifelong learners, broaden their horizons and creativity?
- How do we strengthen our students so they leave New Providence as leaders who can be role models wherever life leads them?

Siamo Pronti!

Arrived in Rome June
19th....drove to Sorrento via
coach

Day 1, woke up and took the ferry to the port in Sorrento and boarded a ferry to the Island of Capri.

We went up the funicular!

We took a leisurely
hike up the mountain
in Capri to Villa Jovis,
Emperor Tiberius' palace.

A dip in the Tyrrhenian sea

Day 3 we drove to Pompeii to view the archeological dig in progress and tour the streets..

Zucchini Pasta
for dinner

Dinner at the Mozzarella Farm

Archeological Museum of Naples & traditional pizza lunch

A series of tight tunnels and underground bunkers that were once the aqueducts. You had to walk sideways in order to fit through!
