Dear Parents/Guardians of Juniors/Seniors:

Section 9528 of the No Child Left Behind Act of 2001 requires schools to release your student's information to military recruiters unless you chose to "opt out" in writing.

Completing this form will provide you an "opt out" option, should that be your desire.

Please complete and return this form to Northland High School upon enrollment.

Should we not hear from you in writing, we will assume you have no objections to Northland High School releasing your student's information to military recruiters.

As a parent/guardian, I am exercising the right to request Northland Community Schools **do not** turn over the name, address and telephone number of my student to the Armed Services, Military Recruiters, or Military Schools for the following student.

Student Name

Grade

Parent Signature

Date

Parent Name

Please note, by "opting out" only insures Northland High School will not provide your student information to military recruiters.
