

A2STEAM Mighty 5s News

November 8, 2024

Important Dates

November 26: Report Cards sent via email. On Tuesday you will receive your child's report card. Remember that Mighty 5s starts with a focus on social emotional learning, and as the year goes on you will begin to see that focus include more academic tasks. Our program is designed to set the stage for success in life and in school. As you read your child's report card, keep this in mind.

December 5: Expo, 530-7 pm Our first Mighty 5 STEAM Expo will take place after Thanksgiving. We look forward to sharing our learning from the first PBL unit about butterflies and moths. Our classroom will be open for viewing 530-6 pm.

December 18: Mighty 5s Gingerbread Revue, 630 pm Mark your calendar for the show. Plan on bringing your child to the classroom at 615, then you will head to the multipurpose room. We'll enter through the stage door and the show begins at 630 sharp.

November has been great fun, both inside and out. The SNOW was a big hit! **Please** send outside gear every day-hats, mittens, coats, snow pants and boots. In the classroom, we've been working on rhyming pairs, identifying and sorting shapes, and refining letter formation in names. In Idea Lab, students are designing buildings on paper, and they'll try their hand at building next week. In Music, students worked to write a song about what they are thankful for at school. There is much to be thankful for and we are enjoying our time with your children every day.

Happy Thanksgiving!

Helping Others & Making Choices
