Discussion:

Ms. Helen Dever just mentioned that Cindy Johnston had texted her about the Fordsville Elementary pick up situation has not been fixed and wondering what would be done. Mr. Southard responded that possibly waiting to pick up time to get to the school would be best due to the gate not opening up that exact time.

4.c. Superintendent

Discussion:

We are at day 46 and just returned from fall break to the first nine weeks of school coming to an end. It has been a great start to the year at this point.

Superintendent Southard mentioned the election coming up and school choice being voted on. How everyone votes will make a difference with funding for future. He feels like everyone has always had a school choice option: our county, a difference county, homeschool, or private. Parents have had the choice for their child all along.

Superintendent Southard updated on the building project that they broke ground on Monday. There may be some issues to address with the soil but will know more in the next week.
