**GRADUATION REQUIREMENTS:** Each student must earn a minimum of 22 credits in grades 9-12 and demonstrate proficiency on the Keystone Exam in Biology, Algebra, and Literature. Courses are offered on a year-long or semester basis, with grades being reported quarterly. All seniors must complete a senior project which requires a service component and a presentation.

**GRADE POINT AVERAGE:** Unionville High School calculates a cumulative GPA on a weighted 4.0 scale, which only includes completed courses. One quality point is added for AP courses and .50 quality point is added for honors courses. Courses taken outside of UHS are not calculated in the cumulative GPA reported on the official UHS transcript. This includes transfer students and current UHS students who earn high school academic credit from another institution.

**CLASS RANK:** Unionville High School does not provide ranking. All institutions may contact a student’s school counselor if class rank is required for admission or scholarship consideration. We welcome the opportunity to communicate with you on behalf of our students.
