School Goals

The mission of the Philomath School District is to "graduate every every student and transition each into a job, training, or college." Blodgett Elementary School supported this mission through goals that address the importance of early academic success in literacy and numeracy and of student self-management and safety. Key success factors include the following:

- Student Attendance
- Reading at or above grade level
- Math at or above grade level

State Goals

The Oregon Department of Education is collaborating with school districts and communities across the state to achieve a 90% on-time graduation rate by 2027. Grounded in the pillars of Academic Excellence, Belonging and Wellness, and Reimagined Accountability, ODE prioritizes evidence-based practices to boost early literacy, attendance, and student engagement. We are committed to closing opportunity and achievement gaps for marginalized students and securing long-term success for all of Oregon's learners by investing in culturally responsive practices, fostering inclusive environments and always driving for continuous improvement.

Safe & Welcoming Environment

Blodgett Elementary strives to ensure all school community members feel welcome and safe. Students and families are greeted each day as they enter the school. Mutual respect and kindness are two important attitudes seen and practiced throughout our school. At BES, we also believe that making mistakes is part of the learning process. This mindset encourages true learning and growth. BES participates in Inspired, a character education program, and in Kelso's Choice, a program teaching conflict management skills, for all students.

About Our School

BULLYING, HARASSMENT, AND SAFETY POLICIES

BES is committed to a safe, secure learning environment. BES provides equitable support for all students. Our school utilizes Positive Behavioral Interventions and Supports (PBIS) to guide student behavior. Our school counselor teaches several small groups to support specific student needs. All students learn about social and emotional regulation with age-appropriate strategies. Student engagement is enhanced through daily multi-age activities and "great gatherings" on Fridays.

EXTRACURRICULAR ACTIVITIES

Our rural setting and small enrollment limits our ability to offer extra-curricular activities, though our students are actively engaged in the community in many ways such as 4-H, PYAC, and swimming lessons. BES strives to be an anchor to the Blodgett community, providing a place for gathering and during school day special events that occur quarterly.

PARENT ENGAGEMENT

We resumed the opportunity for parents to volunteer in their children's classrooms and on extra-curricular activities including field trips and special events. Events that bring families into the school are a priority such as our B2S (Open House), seasonal theme celebrations, and music performances. Additionally, teachers engage parents in their student learning, parent-teacher conferences, and one-on-one meetings.

COMMUNITY ENGAGEMENT

Blodgett appreciates community support. We engage with community partners in the following ways:

- Strengthening Rural Families, supporting families in rural Benton County
- Benton County Historical Museum, supporting student projects and field trips
- Benton County Schools Credit Union, supporting classroom grants
- Blodgett-Summit Community Club, supporting classroom and school projects, including scholarships for PHS graduates
- Artists in Residence with Maxtivity
- Oregon Department of Fish and Wildlife, supporting student projects
