MR. WARDLAW 6TH GRADE PRINCIPAL

#### A note from Mrs. Bouchillon

Hi 5th grade Jags!

I cannot wait to meet all my new 6th graders! My only job is help students at Madison Middle. If you need something please ask me! I may always look busy, but that's just my personality (and I'm making sure my boss sees me working, lol!). My first priority is always to help students.

Everything I do is to help you achieve two goals:

- 1. Build a Jaguar Class of 2031 Community I want you to meet friends from all three elementary schools and and really build a Class of 2031 community! I want you to have great memories of 6th grade when you met so many new classmates!
- GRADUATION My ultimate goal is to prepare you for graduation from Madison Central. It may seem early to think about graduation, but graduation prep starts NOW!

Lastly. I am "your person" at school. If i don't know the answer, then III find someone that does know the answer. Middle School is totally different from elementary and can be scary, but I want to reassure you that we will help you every step of the way!

Let's go Jags! Mrs. Bouchillon

Dear 5th graders,

I can tell you the truth. Middle School is....scary. TBH! But, you can't let that hold you back; and the only reason it's scary is because it's new. I was the new kid and I didn't know anyone, but there were so many nice people! About the 2nd week I felt so loved and I wasn't afraid anymore. In fact, I was so excited to go to school because I love my classes!

ALTHOUGH IT'S SCARY, ALWAYS
REMEMBER TO SMILE, AND

YOU GOT THIS!

DON'T WORRY TOO MUCH IT GETS EASIER. IT MIGHT SEEM LIKE YOU DONT HAVE A FRIEND IN ONE OF YOUR CLASSES, BUT YOU'LL MAKE FRIENDS AND THAT IS REALLY GREAT!

-MEAH FLANAGAN

My favorite class in 6th grade at MMS is science or history because I really enjoy my teachers and classmates in those classes. If you are interested in sports you should take P.E. because you could impress a coach.

-Kason Paige

Don't use your phone in the bathroom. Its unsanitary, plus your teachers and principals are very strict about that.

-gabby hawkins

To 5th graders my advice is don't try to change yourself just to be friends with someone. Just be yourself, and if they don't like you for who you are then ya'll aren't meant to be friends. There will be plenty of other friendship opportunities.

- Ashtyn Bernard

6th grade is not hard unless you choose to make it hard, so try your best and you should choose PE. as you can see all your friends. — Henry Davis

## WELCOME TO MMS

**ADVICE FROM THE CLASS OF 2029** 

Dont wait for others to realize how amazing you are. Be yourself & invest in friendships and you won't be alone.

-Samari Grim

Hi Ya'll! At MMS you will meet so many new friends. In every block you will meet someone new and it is great having friends in every block!

I hope this helps! You will do great!

— Carson Browming

Middle school is a place where you can meet new friends from all different places! You can possibly find your next best friend!! - Serenity McCalla

At middle school you are going to make a lot of new friends. You shouldn't worry about anything because there is nothing to worry about and the teachers are AMAZING! Our block schedules are hard at first, but it's actually fun switching classes. Now the tests are a little hard, but if you study a little you will be fine. - Houston Morris

Middle school is SO fun! You may be pretty nervous; I was. But once you get used to it, its awesome and the teachers are great! -Sasha Hammack

Don't worry, everyone is nervous like you are. If you did well in 5th grade, you will do well in 6th. - Quest Crothers

MMS might look big, but guess what, I knew my way around in less than a week.! Electives are so much FUN! Instead of having Pathways only like once a week, you get it every other day!

- Lindley Strain

# YOU BELONG MMS

Madison Middle may look big and scary, but the teachers are nice and so are the kids. The tests are not hard as long as you study what the teachers tell you to study. The homework is not hard and you can get it done in 30 minutes. I would choose gym and art for electives. And friends are easy to make if your old friends are at another school and there are a ton of new kids from other schools.

—Alex Jones

if you need help with a subject, you can go to tutoring on Tuesday mornings.

— Stella warren

6th grade is kinda scary, but if you stay our of drama and find your people, its less scary and more fun!

- your friend Khloe Smith

Even if tests and friendships are complicated they will always blow over and turn out okay!

- Emily Jones

SINCE YOU HAVE A LOT OF TEACHERS - IF YOU ARE NOT FOND OF ONE, YOU AREN'T STUCK WITH THEM ALL DAY.

-NAN ROGERS

We have pep rallies, christmas chaos & courtyard here at MMS and we have the best staff ever!

- Madison Vinchwater

Just relax and enjoy the year! Homework is very rare and nornmally easy! Electives are super fun! You've totally got this! XOXO - Layla Grace Herbert

You can't take back words, choose them wisely. - Samari Grim

# WELCOME TO MMS

Hi! I know middle school can be overwhelming and you get nervous about how many friends you have and if you will fit in. But, don't worry because everyone is very welcoming and lots of people are nervous, too. So, don't worry about middle school, instead get excited for the good that can come from it!

-Georgia Mitchell

Choir and Band count for PE credits and they take a lot of lungs like PE, but to me they are easier. – Brittany Whitman

At first you might think going to a new school and switching classes as scary and overwhelming, but at MMS you get a lot more freedom and once you meet your new friends it will be awesome.

# FUNNY AND USEFUL HACKS FOR MIDDLE SCHOOL

#### **ACADEMICS**

- Charge your chromebooks at home the chargers all look the same and sometimes disappear and they cost \$30
- · Grade Calculation
  - o Major Grades 66%
  - o Minor Grades 34%
- You need only ONE Bookbag you will keep everything in that one bag
- Beta Club qualifications are based on your FIRST 9 WEEKS grades - ALL A's
- SPORTS MMS Coaches are ALWAYS scouting! During PE, MRYC games, etc. Work hard and be a good teammate!
- Listen for your bus DAILY sometimes the order of the buses change

#### PARENTS

- Students DO NOT NEED a phone.. They will have a chromebook for schoolwork
- Monitor your child's phone daily they need the protection more than privacy.
- Students will almost always have Math homework. Ask them about Big Ideas and IXL, those are the online platforms we use.
- Confident Kids Setting limits and staying within those limits make kids feel safe and help them make good choices. They VVONT say that, but they need someone to set the limit. They just aren't capable of knowing limits at this age.
- Your child will find a friend. There is someone for everyone! We see new friendships form every year! You can assure your child of this with confidence!

#### SOCIAL MEDIA

- NEVER EVER share the password to your phone, email, chromebook, ANYTHING!
- Type only POSITIVE things on text, email, and social media.
- Never text something mean or negative - once its in writing, you can't take it back

#### HYGIENE

- SHOVVER DAILY, even if you did not sweat, you may still stink a little.
- Even if you did not sweat that day, you still need to change clothes for the next day.
- Wear deodorant in the morning AND bring some to reapply for after PE and Courtyard.
- · You can't smell yourself. Trust mel

# Q

#### **EMOTIONS**

- Lots of growing is happening and as a teen you may feel a little emotional. Remind yourself that some of those emotions and insecurity are NORMAL. Hormones are just doing what they should do to help you grow.
- EVERYONE is feeling a little bit insecure about something. That's normal, too!
- Confidence is built by DOING. When you DO POSITIVE things you gain confidence. Be involved in something! (Grades, Dance, Sports, Kindness, Robotics, Band, Choir, Church, etc)

## 6<sup>th</sup> Grade Summer Reading Madison Middle 2024-2025

# Out of My Mind by Sharon M. Draper

(Available at Barnes & Noble or Amazon)

Dear Upcoming 6<sup>th</sup> Graders and Parents:

We have chosen one required reading book, *Out of My Mind* by Sharon M. Draper, for our upcoming sixth graders in English Language Arts. This book is on Madison County's approved book list with caveat that uses the word retarded. We will discuss how words and actions can impact each other, and why it's important to be kind. All students should complete the activity **prior** to the beginning of 6<sup>th</sup> Grade. This will be turned in the first full week school starts back. Students should also be prepared to participate in a class discussion about *Out of My Mind*. We encourage students to read

and complete the activity throughout the summer rather than waiting until the week prior to school. The assignment is designed to ease the transition from 5<sup>th</sup> grade to 6<sup>th</sup> grade and to practice writing skills.

If you enjoyed the book *Out of My Mind*, there is a sequel *Out of My Heart* that you would love. *Out of My Heart* is <u>not</u> a requirement.

Parents, please encourage your child to make reading a part of his or her daily activity this summer. We appreciate the efforts you make to foster a love of reading.

Sincerely,

6<sup>th</sup> Grade English Language Arts Teachers

## Out of My Mind Activity

Please see the attached chart to fill out over the summer reading book. Be sure to write in complete sentences and pay attention to capitalization and punctuation.
