

Mannsdale Upper Elementary

3rd Grade Summer Reading

2024 -2025

Students must read the book, *The Storm* by Cynthia Rylant. This book will help prepare students for our first unit of study, classic tales. As your child reads, please have them take notes on the most important things they read about in each chapter. They can write their notes on the attached note sheet.

Students will take a QUIZ on this book on August 16th. This summer reading quiz will count as one of their minor grades (40% grade) for the first nine weeks. The quiz will consist of twenty multiple choice questions that will assess their comprehension of the book. Students will be able to use their notes on the quiz!

Graphic Organizer: Students may want to fill out the graphic organizer below to help them remember the main events from each chapter in the summer reading book, *The Storm*. Students are NOT required to complete this assignment; however, they will be allowed to use this sheet (and their book) when they take the quiz on August 16th. Teachers WILL NOT pick up this optional assignment, so students will be responsible for keeping up with it until the quiz on August 16, 2024. This quiz will count as a minor grade (40%) for the first nine weeks term.

Directions: Write down the important events for the chapters. Important events are the main, or key, things that the characters did or had done to them that move and develop the story towards a solution.

<u>Chapter 1</u>	<u>Chapter 2</u>	<u>Chapter 3</u>	<u>Chapter 4</u>	<u>Chapter 5</u>
<u>Chapter 6</u>	<u>Chapter 7</u>	<u>Chapter 8</u>	<u>Chapter 9</u>	<u>Extra Notes</u>
