

Parents,

As we embark on this new learning path for your child, questions may arise. Your initial point of contact should be your child's teacher, however if you have additional questions please refer to the list below for the appropriate contact person.

If you are having trouble with Canvas, Teams, email, or just general questions, please reach out to your teacher first. They may be able to help you access the content you need.

To contact central office virtual learning support, please send an email to [VLSupport@madison-schools.com](mailto:VLSupport@madison-schools.com).

You may also call our Virtual Tech Support line, but please understand that call volume may be high. 601-499-0795.
