Learning and Growing...

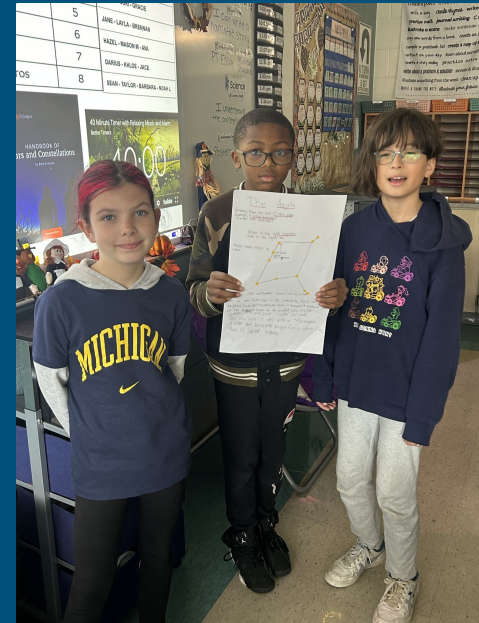

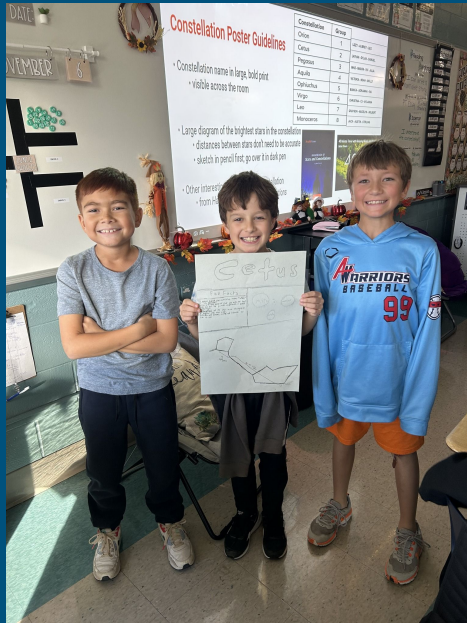

Administrators from Franklin, Stevenson, Churchill, LCTC, and Central Office were on hand at last week's CIP seminar to learn about the various internships in which our students are placed. In turn, interns had the opportunity to hear about the administrators' educational journeys and the career paths that they have traveled.

Learning and Growing...

Rosedale Elementary fourth graders went on a 'gallery walk' to learn all about Monster Plants! There are quite a few of such plants in the world!

Learning and Growing...

Cooper Upper Elementary students learned about constellations and created posters to show their learning!

Adult ESL Veterans Day!

Dan Jenkins shared a wonderful presentation on his career in the military and what it means to be a Veteran in the U.S. in one of our Adult Education ESL classes. Students were involved and asked wonderful questions as Dan led discussions on freedom, voting rights, and the need for diversity in our communities.

Stevenson Powder Puff!
