School Mission Statement

The Enterprise school community will sustain high standards, build relationships, utilize data, and intentionally collaborate to ensure all scholars learn the essential skills that are necessary for them to have a bright future.

Our School Goals

Our school goals align with the district strategic plan:

Goal 2- Whole Child: Thriving, Confident, Responsible Individuals

Pride Points:

- Schoolwide PBIS systems that support positive behaviors and routines to keep the focus on teaching and learning.
- Scholar PBIS team leads monthly themes.

Area of Focus:

- Schoolwide PBIS and Second Step for all scholars to support social-emotional learning and scholar voice and ownership.

Goal 4- Content-Area Competence: Mastery of All Subjects

Pride Points:

- Lexia CORE5 showed that we moved from 18% of scholars being on-level readers to 58% on-level readers in the 23-24 school year.
- A pilot of Walk to Read reading intervention in 23-24 showed that 25% of scholars were moved from behind grade level reading to on-grade level reading in a 6-week cycle.

Area of Focus:

- Expanding our intervention and enrichment model of WIN to both math and reading to ensure each student is getting "What I Need" four days per week to increase success for all scholars.

Community Involvement

Enterprise welcomes parent volunteers in the classroom, office and library as well as supporting our family events which include Family Reading Nights, Monthly coffee with the principal, Math Night, Multicultural Festival and encourage PTA participation.
