

METAIRIE PARK COUNTRY DAY

**ADDITIONAL INFORMATION QUESTIONNAIRE**

**Please submit a written response to the following questions to provide us with information regarding your family's financial situation. Provide as much detail as possible. Information is needed from all parents and must be submitted by February 15, 2025.**

1. Provide your name and the name(s) and grade(s) of your child(ren).
2. Provide contact information – daytime telephone number (home/cell/work) and an email address. What is the best way to reach you?
3. Our expectation is that all parents/guardians of financial aid recipients will hold full-time jobs. If you are currently unemployed or work part-time, please explain why or state "non-applicable."
4. Describe your family structure. Does child have more than one parental household? In most cases, the Tuition Assistance committee will make an award only after considering the financial resources of all parents/guardians. Therefore, **each parental household must complete the full application process**. If one parent is not involved in the child's life, please contact us to discuss the situation. If there is a judgment which outlines how parents/guardians are to handle tuition responsibilities, please explain and include documentation.
5. If any parents (or guardians) hold a membership to a social club, country club, Mardi Gras organization, athletic club, etc., provide a list of the organizations and include the yearly cost of each membership.

6. How much can you afford to pay towards tuition for your child or for each of your children? Please keep in mind that assistance only covers **tuition**, and full tuition awards are not available. The maximum level of tuition assistance equates to 80% of tuition. If awarded, families are responsible for at least 20% of tuition and any additional expenses such as fees for computer leases and purchases, lunch, books, aftercare, and trips. Please factor these expenses as you determine your tuition contribution.

7. In determining your financial aid award, is there any other information you would like us to take into consideration?

Please submit the answers to this questionnaire by mail or email to [financialaid@mpeds.com](mailto:financialaid@mpeds.com).
