Youth Truth Surveys.

Next Month, WMS Students will participate in the YouthTruth Student Survey. The YouthTruth Student Survey is a nationally recognized survey used in hundreds of schools and districts across the country. The survey asks students about their experiences in the school and with their teachers, including how engaged they are at school, the rigor of their coursework, and their preparedness for the future. Although we want to hear from all students, participation in this survey is voluntary. Your child's ratings will not be identified in any reports because results are shared at the group level. Our school, other schools, and researchers may use such information for developing plans to help schools and teachers improve. For information about this survey, please visit <http://youthtruthsurvey.org>. If after reviewing the survey information you would like your child to opt out of this survey, please complete the opt out form found here [YouthTruth Opt Out](#).

WMS Honor Flight Letters to Veterans.

In addition to the John Fox ceremony for Veterans Day, this year, students participated in a unique learning and community experience. Ms. O'Hara and her father, a veteran, took the Honor Flight from Cincinnati to Washington, D.C. This flight offers a special experience for veterans who served in World War II, the Korean War, or the Vietnam War. The veterans and their guests have the opportunity to visit their memorials in D.C., and they are brought back home with a "Welcome Home" greeting—something many, especially Vietnam veterans, never received. WMS students learned about the Honor Flight and wrote letters to the veterans, thanking them for their service and sharing a little about themselves. Our students' letters were given to the veterans on the flight and read on the return trip. Below is a video showcasing some of the places the veterans visited on the Honor Flight, along with a heartfelt thanks for the letters.

Cowboy Views.

Thanks to Student Counsel, Mrs. Osborne, along with our Faculty and Parent Volunteers for a great CandyLand Dance last Friday! Below are four group photos from the evening.

Sewing & Quilting Club Members proudly display their fabric trays.

Using upholstery fabric samples, to create fabric trays, from the Cincinnati Recycling and Reuse Center is a smart and sustainable idea.

It's always inspiring to see students learning both practical skills and the value of repurposing materials. It's really a genius way to combine creativity with sustainability.
