Future District Goals

By 2027, the School District of Auburndale will increase student participation in local job shadowing opportunities and create an internship-based learning experience.

Family Engagement

Students will share access to their Xello profiles with their family on an annual basis. The Student Services department will schedule annual parent/student academic meetings to discuss course options and postsecondary plans. The District Mirror will publish quarterly ACP articles and the Eagle Flyer will publish ACP Activities periodically.

Professional Development for Staff

Teachers will have access to all professional development through Xello. All Dual Credit teachers will meet annually with their Dual Credit Partners at Mid-State Technical College for more opportunities. CTE teachers annually meet with the CESA 5 CTE Coordinator to increase CTE participation and increase opportunities for students.

ACP Activities

Academic and Career Planning (ACP) is a student-driven, adult-supported process in which students create and cultivate their own unique and information-based visions for post-secondary success, obtained through self-exploration, career exploration, and the development of career management and planning skills. All students in grades 6-12 will participate in ACP activities utilizing Xello and classroom activities. The Scope & Sequence can be found at [Xello \(ACP\)](#).
