

Centreville Public Schools STRATEGIC PLANS

Our Strategic Plans are grounded in the values and beliefs of our students, staff, community, and Board of Education.

They are designed to foster collaboration among stakeholders; cultivate a safe and enjoyable school climate and culture; and create a clear path for growth. Above all, they are focused on our **top priority... our students.**

All stakeholders play an important role in the success of our students and district. Because of this belief, our Strategic Plans belong to ALL of us!
