

- 1) What have you done-- or what do you do-- to make your life better?
- 2) How has your community played a role in shaping you into the person you are today?
- 3) What is something you are proud of creating or repairing?
- 4) Pick a concept you have studied in one of your classes and explain how it can be applied to life beyond school.
- 5) Flash forward: It's the spring of your senior year. What particular features of Groton have you explored?

Your name_____

PART B - ESSAY. Please indicate which of the questions you will answer with an essay not to exceed 3,000 characters (approximately 500 words).

Question #_____

Additional Information

If you have anything to add to the list of extracurricular activities listed on your Candidate Profile, you may do so here. This is the place to provide links to video or images that display your abilities in such fields as athletics, music, artwork or any other activities.

Signature

We realize that candidates for admission occasionally receive advice on their essays and short answers from others. However we expect that the ideas in the Candidate Statement, and their expression, are essentially your own. Please confirm that the work on your application is your own by signing below.
