2. Reassignments and Transfers:

Bargaining unit members who wish to be considered for a reassignment or transfer will be polled by the District for consideration on or before March 1, prior to principals making decisions about assignments, reassignments and transfers for the subsequent school year. Those employees who submit a written request on or before March 1 will be given first consideration by the building principal(s) to fill the position(s).

Reassignments within the building may be made by the Building Principal prior to an involuntary transfer or re-assignment, The District shall give notices of assignments, reassignments and transfers as soon as practical, except in cases of emergency.

Notices shall include a description of the position, qualifications, and application procedures. Positions will be posted for internal candidates for three (3) working days. Employees who desire a posted position shall submit a

letter of interest to the District within the internal posting period. Any internal candidate who is not transferred to the position will receive written notification from the Building Principal within three (3) days of the decision explaining why s/he was not selected for the transfer.

When two (2) or more transferring or reassigned employees have equal qualifications, the employee with the most seniority shall be hired.

bargaining member who applies for the job is hired, s/he may receive the job for two (2) seasons/years to ensure consistency in the position. At the end of the second season/year, the job will be posted again to determine if any OEA member wishes to apply. The purpose of this section is to make clear that the co-curricular positions listed in the OEA contract will first be offered to bargaining unit members, even if a non-bargaining member held that position the previous year.

Employees who meet the posted qualifications, skills and experience needed for the position and who apply for such positions shall be afforded an interview and response from the District.

report(s) shall be the primary basis for the "Evaluation Report."

6. The term "**Evaluation**" shall mean a summary of the results of observations of the employee during the evaluation process, as well as performance of other professional duties in the school setting.
7. "Performance Levels" shall mean: Four performance levels are provided for each indicator. Moving from Unsatisfactory to Distinguished, the performance levels increase in specificity of practice, cognitive demand, roles of students, and/or frequency of use. The performance levels are:
 1. Unsatisfactory: Professional practice at Level 1 shows evidence of not understanding the concepts underlying individual components of the criteria. This level of practice is ineffective and inefficient and may represent practice that is harmful to student learning progress, professional learning environment, or individual teaching or leading practice. This level requires immediate intervention.
 2. Basic: Professional practice at Level 2 shows a developing understanding of the knowledge and skills of the criteria required to practice, but performance is inconsistent over a period of time due to lack of experience, expertise, and/or commitment. This level may be considered minimally competent for teachers or principals early in their careers but insufficient for more experienced teachers or principals. This level requires specific support.
 3. Proficient: Professional practice at Level 3 shows evidence of thorough knowledge of all aspects of the profession. This is successful, accomplished, professional, and effective practice. Teaching and leading at this level utilizes a broad repertoire of strategies and activities to support student learning. At this level, teaching and leading a school are strengthened and expanded through purposeful, collaborative sharing and learning with colleagues as well as ongoing self-reflection and professional improvement.
 4. Distinguished: Professional practice at Level 4 is that of a master professional whose practices operate at a qualitatively different level from those of other professional peers. To achieve this rating, a teacher or principal would need to have received a majority of distinguished ratings on the criterion scores. A teacher or principal at this level must show evidence of average to high impact on student growth. Ongoing, reflective teaching and leading is demonstrated through the highest level of expertise and commitment to all students' learning, challenging professional growth, and collaborative practice.
8. "Artifacts" shall mean any products generated, developed, or used by a classroom teacher during the course of instruction, collaboration, or interaction with parents and/or the community. Artifacts should arise naturally from these practices and should not be created specifically for the evaluation system or at the direction of the evaluator. Additionally, tools or forms used in the evaluation process may be considered artifacts.
9. "Evidence" shall mean observed practice, products, results, or conversations that can be used to demonstrate knowledge and skills with respect to the four-level rating system.
10. "Evaluator" shall mean a certificated administrator who has been trained in observation, evaluation, and the use of the specific instructional framework, the rubrics contained in this agreement, and any relevant state or federal requirements. The evaluator shall assist the teacher by providing support and resources. Evaluators shall engage in inter-rater reliability activities (Administrative Learning Walks, trainings, videos, etc.). Administrative Learning Walks involve multiple administrators observing a teacher at the same time for the purpose of inter-rater reliability and are not part of any evaluation process.
11. "Provisional Teacher" means a teacher in his/her first three (3) years of teaching in Washington State or a teacher who has previously completed at least two (2) years of certificated employment in another school district in the state of Washington and who is in his/her first year of teaching in the Okanogan School District.

12. "Student Growth" shall mean the change in student growth between two points in time.

13. "Student Growth Data:" assessments used to demonstrate growth must predominately originate at the classroom level and be initiated by the classroom teacher. Assessments used to demonstrate growth must be appropriate, relevant, and may include both formative and summative measures.

Section C. Purpose

The purposes of evaluation shall be:

1. **Identify Proficient/Distinguished Performance:** To identify, in consultation with employees, specific areas in which the professional performance of each employee is satisfactory.
2. **To Assist:** To assist employees who have identified areas needing improvement, in making those improvements.
3. **Remediation:** To identify employees whose professional performance is unsatisfactory and for whom remediation is needed.

Section D. Initiating the Evaluation Process

Within the first ten (10) days of each school year, or, in the case of new employees hired after the beginning of the school year, within ten (10) days of hire, evaluators shall meet with employees to review and discuss the evaluation process, options, criteria and forms. Where appropriate, evaluators may use group meetings for this purpose. At this meeting each employee shall be informed of his/her observer, evaluator, evaluation options, and given a copy of the Evaluation Option Form, a copy of which is attached to and made a part of this Agreement as Appendix I. Within ten (10) days following this meeting each employee shall complete the Evaluation Option Form and return it to his/her evaluator. In addition, the evaluator and employee shall mutually agree on the employee's personal and professional goals for the year. If the evaluator and employee are unable to agree on the employee's professional goals both individuals, the evaluator, and the employee, will write down those goals they deem appropriate. This goal-setting meeting shall be completed by October 15.

Section E. Provisional Employees

1. **Definition:** The term "**Provisional Employee**" shall mean a beginning employee who is in his/her first three (3) years of employment with the District, unless the employee has previously completed at least two complete years of certificated employment in another Washington State school district, in which case the employee will be a provisional employee for the first year of employment with the District.
2. **Frequency of Evaluation:** Provisional employees shall be evaluated no less often than two (2) times per year for a total of no less than sixty (60) minutes during their first two (2) years of provisional employment. During the third (3rd) year as a provisional employee, the employee must be evaluated no less than three (3) times for a total of no less than ninety (90) minutes. The first (1st) such evaluation must be completed within the first (1st) ninety (90) days of employment. The final evaluation shall be completed no later than June 1.
3. **Observations:** Provisional employees shall be observed for the purpose of evaluation no less than twice for each evaluation (see #2 above). Each observation shall be no less than thirty (30) minutes in length.
4. Provisional employees shall be subject to the provisions of RCW 28A.405.220 [RCW 28A.67.072] and Article IV, Section F of this Agreement. Specifically, provisional employees are not subject to the probationary requirements procedures. Discharge and non-renewals of provisional employees may only proceed through Step II of the grievance process.

Section F. Comprehensive Evaluation

The Comprehensive evaluation is a growth-oriented, teacher/evaluator collaborative process that requires teachers to be evaluated on the eight (8) state criteria. A teacher must complete a Comprehensive evaluation once every six (6) years. Subsequent years they will be evaluated on a Focused evaluation, unless they have received a Basic or Unsatisfactory rating on their final comprehensive summative evaluation. Then they shall continue using the Comprehensive evaluation for the following year. All teachers during their provisional status must be on the Comprehensive evaluation.

1. Notification: The teacher will be notified by the 20th day of school whether the teacher will be evaluated using the Comprehensive or Focused evaluation process and who will be assigned as the evaluator. Each teacher shall be given an overview document of the evaluation criteria, procedures, and other relevant information regarding the evaluation system. A complete set of documents, including all state criteria, Danielson framework, and forms which will be used shall be available on the District website. Forms used for evaluation will be included in the appendices of this document.
2. Student Growth Goal Setting: The teacher who is on a Comprehensive evaluation will set student growth goal(s) for SG 3.1, SG 6.1, and SG 8.1. These goals shall be developed by the teacher with input from the evaluator and may be interrelated or “nested.” In most cases these goals should be set prior to November 1. Student data that measures growth between two points in time shall be used to calculate a teacher’s student growth score. The measurements used shall be determined by the teacher in consultation with his/her evaluator.
3. Pre-Observation Communication: Any teacher may request a pre-observation conference prior to a scheduled formal observation. A pre-observation conference will be required for provisional employees or those employees who have been notified by their evaluator prior to the observation of identified areas of concern in their performance.
4. Observations:
 - a. Formal Observations: The total annual observation time must be at least sixty (60) minutes. One observation must be a minimum of thirty (30) minutes. If mutually agreed, the remaining thirty (30) minutes of required observation time may be broken into smaller increments of no less than ten (10) minutes. Unless mutually agreed, observations shall not take place on the day before Thanksgiving, winter or spring breaks. All formal observations will be scheduled for a mutually agreed upon time between the employee and the evaluator.
 - b. Informal Observations: The purpose of informal observations, which may be unannounced, is to document staff performance in settings that are outside the formal observation process and are applicable to the employee’s evaluation criteria. Informal observations are intended to document strengths as well as concerns regarding employee performance. Informal observations shall not take place on the day before Thanksgiving, winter or spring breaks. These observations shall be a minimum of ten (10) minutes in length. If there is an area of concern, the evaluator will identify specific concerns in writing within ten (10) days for the applicable criteria and provide the opportunity to discuss possible solutions with the teacher.

Provisional teachers shall be observed at least once during the first ninety (90) calendar days of his/her employment period. This observation must be scheduled and must be a minimum of thirty (30) minutes in length.

The District may offer a continuing contract to provisional employees after two (2) years of evaluations that are proficient or distinguished.

A teacher in the third year of provisional status as defined in RCW 28A.405.220 shall be observed at least three (3) times in the performance of his or her duties. The total observation time for the school year for a third year provisional teacher shall not be less than ninety (90) minutes.

Unless mutually agreed upon, the final observation must be completed prior to May 1.

Section G. Focused Evaluation

The Focused evaluation is a growth-oriented, teacher/evaluator collaborative process that requires teachers to be evaluated on one (1) of the eight (8) state criteria. A teacher must complete a Comprehensive evaluation at least once every six (6) years. In subsequent years they will be evaluated on a Focused evaluation. The summative score from the most recent comprehensive evaluation becomes the focus summative evaluation score for any of the subsequent years in which the certificated classroom teacher is on a focused evaluation. Should a teacher provide evidence of exemplary practice on the chosen focused criterion, a level 4 (Distinguished) score may be awarded by the evaluator, for that school year.

Once an employee is placed on a focused evaluation he/she will remain on a focused evaluation for the duration of the current school year.

1. Notification: The teacher will be notified by the 20th day of school who will be assigned as the evaluator. Each teacher shall be given an overview document of the evaluation criteria, procedures and other relevant information regarding the evaluation system. A complete set of documents, including all state criteria, Danielson Framework, and forms which will be used shall be available on the District website. Forms used for evaluation will be included in the appendices of this document.

2. Student Growth Goal-Setting: When the teacher selects Criterion 3, 6, or 8 they must complete the embedded student growth goal within their chosen criterion only. When the teacher selects Criterion 1, 2, 4, 5, or 7, they must select the student growth goal in either 3 or 6 (SG 3.1, SG 6.1). Student Growth Goals shall be developed by the teacher with input from his or her evaluator. In most cases these goals should be set prior to November 1. Student data that measures growth between two points in time shall be used to calculate a teacher's student growth score. The measurements used shall be determined by the teacher in consultation with his/her evaluator.

3. Pre-Observation Communication: Prior to any scheduled observation, the teacher will be given the opportunity to review the objectives and goals of his/her lesson with his/her evaluator.

4. Observations:

a. Formal Observations: The total annual observation time must be at least sixty (60) minutes. One observation must be a minimum of thirty (30) minutes. If mutually agreed, the remaining required observation time may be broken into smaller increments of no less than ten (10) minutes. Unless mutually agreed, observations shall not take place on the day before Thanksgiving, winter or spring breaks. All formal observations will be scheduled for a mutually agreed upon time between the employee and the evaluator.

b. Informal Observations: The purpose of informal observations, which may be unannounced, is to document staff performance in settings that are outside the formal observation process and are applicable to the employee's evaluation criteria. Informal observations are intended to document strengths as well as concerns regarding employee performance. Informal observations shall not take place on the day before Thanksgiving, winter or spring breaks. These observations shall be a minimum of ten (10) minutes in length. If there is an area of concern, the evaluator will identify specific concerns in writing within ten (10) days for the applicable criteria and provide the opportunity to discuss possible solutions with the teacher.

5. Post-Observation Communication: Following each observation or series of observations, the evaluator will:

a. Document and share the results of the observation in writing or by using the applicable web-based evaluation tool. Except for extenuating circumstances, the evaluator will share his/her observation notes with the teacher

within five (5) working days. The evaluator's notes shall reflect the appropriate criterion and/or component observed.

The teacher may request a meeting to review the observation notes, if desired.

If there is an area of concern, the evaluator will identify specific concerns, in writing, for the applicable criteria and provide specific observable solutions to remedy the concern. The teacher will have the opportunity to attach written comments to the observation notes.

b. Each classroom teacher will have the opportunity to submit artifacts to support his/her performance at any time prior to May 1st or ten (10) working days after the final observation, whichever is later.

6. Preliminary Summative Communication: The evaluator will review the preliminary evaluation score with the teacher. Teachers have until May 1st or ten (10) working days after the final observation to provide additional artifacts, if they so choose.

7. Final Summative Evaluation:

a. The evaluator will review the final summative score that would have been given with the employee. The actual summative score on his/her focused evaluation will be from the most recent comprehensive evaluation. If a teacher was proficient on his/her last comprehensive evaluation and he/she provides evidence of exemplary practice on his/her chosen focused criterion, a level 4 (Distinguished) score may be awarded by the evaluator, for that school year.

b. The teacher will sign one (1) original evaluation form for his/her personnel file and be given a copy.

Section H. Support for Teachers with Areas of Concern

The Association president will be notified when any formal observation results in a teacher being judged Basic or Unsatisfactory as soon as this determination is made.

When a teacher is at risk of being judged Basic or Unsatisfactory, additional support shall be offered. Employees will be offered support based on individual teacher needs. This support may come in the following manner, but is not limited to, mentors, coaches, visiting other classrooms, attending professional development opportunities, planning documents, literature, etc.

Section I. Additional Support for Provisional Teachers

Before non-renewing a provisional teacher, the evaluator shall have made a good faith effort to assist the teacher in making satisfactory progress toward remediating deficiencies. The efforts may include:

1. A completed Comprehensive evaluation conducted in accordance with Section B above
2. Periodic feedback from the evaluator on the teacher's progress toward remediating deficiencies

Section J. Probation

1. At any time after October 15th, a continuing employee, whose work is judged not satisfactory based on the Danielson instructional framework evaluation criteria shall be notified in writing of the specific areas of concern along with a reasonable program for improvement. For teachers who have been transitioned to the new evaluation system, "not satisfactory" is defined as;

- a. Level 1: Unsatisfactory – Receiving a summative score of “1” or “Unsatisfactory” is not considered satisfactory performance for any teacher.
 - b. Level 2: Basic – If the classroom teacher is on a continuing contract with more than five (5) years of teaching experience and if a summative score of “2” or “Basic” has been received two (2) years in a row or during two (2) out of three consecutive years, the teacher is not considered to be performing at satisfactory level.
2. A probationary period of sixty (60) school days shall be established for teachers deemed not satisfactory. Days may be added if deemed necessary to complete a program for improvement and evaluate the probationer’s performance, as long as the probationary period is concluded before May 15th of the same school year. The probationary period may be extended into the following school year if the probationer has five (5) or more years of teaching experience and has a comprehensive summative evaluation performance rating as of May 15th of less than Basic. The probation period may be extended if a teacher has made progress towards being Basic or Proficient and may be able to achieve a satisfactory rating during the extension period.
3. The establishment of a probationary period does not adversely affect the contract status of an employee within the meaning of RCW 28A.405.300. The purpose of the probationary period is to give the employee opportunity to demonstrate improvements in his or her areas of deficiency. The establishment of the probationary period and the giving of the notice to the probationer shall be by the school district superintendent and need not be submitted to the board of directors for approval.
4. During the probationary period the evaluator shall meet with the employee at least twice monthly to supervise and make a written evaluation of the progress, if any, made by the employee. The evaluator may authorize one additional certificated employee to evaluate the probationer and to aid the employee in improving his or her areas of deficiency. Should the evaluator not authorize such additional evaluator, the probationer may request that additional certificated employee evaluator become part of the probationary process and this request must be implemented by including an additional experienced evaluator assigned by the educational service district in which the school district is located. This person shall be selected from a list of evaluation specialists compiled by the educational service district. Such additional certificated employee shall be immune from any civil liability that might otherwise be incurred or imposed with regard to the good faith performance of such evaluation. The Association may elect to bring in an outside professional to observe, advise and assist the teacher on probation.
5. During the period of probation, the employee may not be transferred from the supervision of the original evaluator. Improvement of performance or probable cause for nonrenewal must occur and be documented by the original evaluator before any consideration of a request for transfer or reassignment as contemplated by either the individual or the school district.
6. If a minor procedural error occurs in the implementation of a program for improvement, the error does not invalidate the probationer’s plan for improvement or evaluation activities unless the error materially affects the effectiveness of the plan or the ability to evaluate the probationer’s performance.
7. The probationer must be removed from probation if he or she has demonstrated improvement to the satisfaction of the evaluator in those areas specifically detailed in his or her initial notice of deficiency and subsequently detailed in his or her program for improvement. A classroom teacher who has been transitioned to the revised evaluation system pursuant to the district implementation schedule adopted by the board must be removed from probation if he or she has demonstrated improvement that results in a new comprehensive summative evaluation performance rating of Basic or above for a continuing contract employee with five (5) or fewer years of experience, or of Proficient or above for a continuing contract employee with more than five (5) years of experience.
8. Lack of necessary improvement during the established probationary period, as specifically documented in writing with notification to the probationer, constitutes grounds for a finding of probable cause for termination under RCW 28A.405.300 or 28A.405.210.

9. When a continuing contract employee with five (5) or more years of experience receives a comprehensive summative evaluation performance rating of Unsatisfactory for two (2) consecutive years, the school district shall, within ten (10) days of the completion of the second summative comprehensive evaluation or May 15th, whichever occurs first, implement the employee notification of discharge as provided in RCW 28A.405.300.

10. Immediately following the completion of a probationary period that does not produce performance changes detailed in the initial notice of deficiencies and program for improvement, the employee may be removed from his or her assignment and placed into an alternative assignment for the remainder of the school year. This reassignment may not displace another employee nor may it adversely affect the probationary employee's compensation or benefits for the remainder of the employee's contract year. If such reassignment is not possible, the district may, at its option, place the employee on paid leave for the balance of the contract term.

11. No teacher will be non-renewed for evaluation reasons unless they have gone through probation.

Not applicable to Provisional Employees: The probation requirements do not apply to Provisional employees. Provisional employees do not have access to probation.

Section K. State Criteria and Scoring

State Evaluation Criteria:

1. Centering instruction on high expectations for student achievement
2. Demonstrating effective teaching practices
3. Recognizing individual student learning needs and developing strategies to address those needs
4. Providing clear and intentional focus on subject matter content and curriculum
5. Fostering and managing a safe, positive learning environment
6. Using multiple data elements to modify instruction and improve student learning
7. Communicating and collaborating with parents and the school community
8. Exhibiting collaborative and collegial practices focused on improving instructional practices and student learning

Summative Performance Rating for Comprehensive Evaluation

A classroom teacher shall receive a summative performance rating for each of the eight (8) state evaluation criteria. The overall summative score is determined by totaling the eight (8) criterion-level scores as follows:

Rating	Score
Unsatisfactory (1)	8-14
Basic (2)	15-21
Proficient (3)	22-28
Distinguished (4)	29-32

The final score for each criterion will be based on a preponderance of evidence in each criterion. The individual criterion ratings from all eight (8) criteria will be used in achieving the overall “Summative Performance Rating” in the chart above.

Section L. Student Growth Impact Rating

Embedded in the instructional framework are five (5) components designated as student growth components. These components are embedded in criteria as SG 3.1, SG 3.2, SG 6.1, SG 6.2, and SG 8.1. Evaluators add up the raw score on these components and the employee is given a score of low, average, or high based on the scores below.

Upon completion of the overall summative scoring process, the evaluator will combine only the student growth rubric scores to assess the classroom teacher’s student growth impact rating. The following scoring band will be used to determine the student growth impact rating.

5 – 12	13 – 17	18 – 20
Low	Average	High

Section M. Impact of Low Student Growth Score

A student growth score of “1” in any of the student growth rubrics (SG3.1, SG3.2, SG6.1, SG6.2, SG8.1) will result in an overall low student growth impact rating. A classroom teacher with a preliminary rating of Distinguished and with a low student growth rating will not receive an overall rating higher than Proficient.

Classroom teachers with a low student growth rating will engage, with their evaluator, in a student growth inquiry.

Section N. Student Growth Inquiry

Within two months of receiving a low student growth score or at the beginning of the following school year, one or more of the following must be initiated by the evaluator:

1. Examine student growth data in conjunction with other evidence including observation, artifacts and other appropriate student and teacher information based on classroom, school, district, and state-based tools and practices.
2. Examine extenuating circumstances which may include one or more of the following: goal setting process; content and expectations; student attendance; extent to which standards, curriculum and assessments are aligned.
3. Schedule monthly conferences focused on improving student growth to include one or more of the following topics: Student growth goal revisions, refinement, and progress; best practices related to instruction areas in need of attention; best practices related to student growth data collection and interpretation.

4. Create and implement a professional development plan to address student growth areas.

Section O. Short Form Support Staff Employees

1. **Definition:** The term "short form employee" is any certified employee who is not a classroom teacher who has been employed by the District for four (4) years with satisfactory evaluations, provided that any such employee may opt out of short form status for any full year.
2. **Frequency of Evaluation:** Short form employees shall be evaluated one (1) time per year, which evaluation shall be completed no later than June 1.

3. **Observations:** Short form employees shall be observed for the purpose of evaluation at least one (1) time for a period of no less than thirty (30) minutes.
4. **Negative Evaluation Bar:** The short form evaluation may not be used as a basis for determining that an employee's work is unsatisfactory, nor as probable cause for the non-renewal of an employee's contract under RCW 28A.405.210 (RCW 28A.67.070) or RCW 28A.405.220 (RCW 28A.67.072). The short form evaluation may be used only in those cases where the evaluator reports "satisfactory".
5. **Removal from Short Form:** During the year, the evaluator or employee may choose to remove an employee from the short form evaluation and place him/her on the long form at any time after October 15.

Section P. Long Form Support Staff Employees

1. **Definition:** The term "long form employees" shall be those certified employees who is not a classroom teacher who are provisional employees with the District, who are on probation, and who do not qualify for short form evaluation.
2. **Frequency of Evaluation:** Long form employees shall be evaluated at least one (1) time each year, which evaluation shall be completed no later than June 1.
3. **Observations:** Long form employees shall be observed for purpose of evaluation no less than two (2) times for each evaluation. Each observation shall be no less than thirty (30) minutes in length.

Section Q. General Requirements

1. **Work Site Limit:** All observations for the purpose of evaluation must be conducted with the knowledge of the employee at the employee's classroom, normal work site, or other visits. (see page 19 for definition of observation)
2. **Signatures:** The written observation report(s) and the written evaluation report(s) must be signed and dated by the observer and the evaluator respectively. Such reports are also to be signed and dated by the employee, provided that the employee's signature shall indicate only that he/she has received a copy of the observation and/or evaluation, not that he/she necessarily agrees with its content.
3. **Copy and Response:** A copy of each presentation shall be given to the observed employee within five (5) working days of the observation. A copy of the evaluation shall be given to the employee by June 1. Within ten (10) working days, the employee may submit written comments concerning the report which shall be attached to the report in the employee's file.
4. **Observations:** Evaluators shall have personally conducted at least two (2) of the observations upon which each evaluation is based. Observations shall be a minimum of sixty (60) minutes total.
5. **Working Files:** Principal's working files shall be purged at the end of each school year or no later than June 30.
6. **Surprise Bar:** Any item on the Evaluation Form that is marked with an "Unsatisfactory" must have been preceded with a written statement and/or meeting with the employee in order to provide notice of the problem, specific suggestions for improvement and reasonable time and opportunity for improvement.

Section R. Pre and Post Conference

1. **Required Observation Conference:** The evaluator and employee shall meet for a pre and post conference for at least one formal observation and may have one informal observation not requiring a pre-conference under the comprehensive/long form option.

Employees shall have the opportunity to provide additional information to aid the observer/evaluator in completing the report, and make suggestions for the next observation.

2. **Time and Place**: Conferences shall be held within the time lines set out in this Agreement at times and places mutually determined by the evaluator and the employee.

Section S. Use of Evaluation Results

Evaluation results shall be private and confidential, except as otherwise provided by law, and shall be used:

1. **To Document Satisfactory Performance**: To document the satisfactory performance by an employee of his/her assigned duties;
2. **To Identify Needed Improvement**: To identify discrete area(s), according to the criteria included on the evaluation instrument, in which the employee may need improvement;
3. **To Document Unsatisfactory Performance**: To document performance by an employee judged unsatisfactory, based on the adopted evaluation criteria.
4. **To Document Distinguished Performance**: To identify performance that is noteworthy of praise and appreciation.

Section T. Probation (Non-Provisional Employees)

1. **Notice**: In the event that an employee's work is judged to be unsatisfactory, based upon the evaluation criteria and procedure, the Superintendent, at any time after October 15, shall place an employee on probation. The employee shall be notified in writing of the specified area(s) of deficiency along with a suggested, specific, and reasonable program of improvement, on or before February 1 of the academic year. This written notice shall advise the employee of the establishment of a probationary period beginning on or before February 1, and ending no later than May 1. The notice to the employee shall be signed by the Superintendent.
2. **Purpose**: The purpose of the probationary period is to give the employee an opportunity to demonstrate improvement(s) in his/her areas of deficiency.
3. **Regular Meetings and Assistance**: During the probationary period the evaluator shall meet with the employee twice monthly to supervise and make written evaluations of the progress made by the employee.

An employee on probation may authorize an Association representative to accompany him/her at all conferences required in this section.

4. **Removal**: The employee may be removed from probation at any time he/she has demonstrated improvement to the satisfaction of the evaluator. If the evaluator is satisfied that the employee should be removed from probation, the employee shall be notified in writing no later than May 1.
5. **Failure to Improve**: If the probationary employee has not demonstrated satisfactory improvement in the area(s) of deficiency, the employee shall be notified in writing on or before May 1 of the lack of improvement along with specific documentation. Lack of necessary improvement may constitute grounds for non-renewal pursuant to RCW 28A.405.210 (RCW 28A.67.070) or RCW 28A.405.220 (RCW 28A.67.072).
6. **Adverse Effect**: Probation shall not be deemed to adversely affect the contract status of an employee within the meaning of RCW 28A.405.300 (RCW 28A.58.450).

ARTICLE V. STAFF REDUCTION AND RECALL

Section A. Board Determination of Program

Prior to May 15th of each year, the Board of Directors shall determine whether the financial resources of the District will be adequate to permit the District to maintain its educational programs and services substantially at the same level for the next school year. If the Board determines that financial resources are not reasonably sufficient for the following school year, due to levy failure, declining enrollment or other revenue losses, the Board shall adopt a modified educational program and identify those employees who will be retained to implement such a modified program. The Board shall notify the Association in writing of such determination as soon thereafter as possible. An outline of the District's anticipated financial condition will be included with said notification.

Section B. Criteria for Modified or Reduced Program

If the District adopts a modified or reduced educational program because of lack of financial resources, the following guidelines shall be taken into consideration in determining the programs and services to be retained, modified or eliminated:

1. **Student/Teacher Ratio**: Maintenance of the student/teacher ratio at the lowest possible levels, consistent with available funding and conducive to a good learning climate.
2. **Student and Legal Needs**: The needs of the students, requirements for graduation, requirements for accreditation, and minimum program requirements under state law and regulations.
3. **Reduction of Cash Reserves**: Reduce cash reserve as much as practical, except those reserves required by law which must be maintained.
4. **Categorical Funding**: Where revenues are categorical and depend upon actual expenditures rather than budgeted amounts, every effort shall be made to maintain such programs to the limit of the categorical support; i.e., vocational education, special education, etc.
5. **Reduction of Expenditures**: Reductions in expenditures, where reasonable and not categorically funded, in capital outlay, supplies and materials, contractual services, and travel in an effort to retain as much of the basic educational program as possible within the resources available.

Section C. Selection of Employees

1. **Selection Criteria**: In adopting a reduced educational program which will require reduction, modification or elimination of positions involving employees, the employees required to implement the modified or reduced educational program or services shall be selected as provided below:
 - a. **Normal Turnover**: The District shall determine the number of certificated positions which will be open as a result of (a) voluntary or mandatory retirements; (b) normal resignations; (c) other transfers; and (d) leaves of absence.
 - b. **Certification**: Employees retained to implement the modified or reduced educational program shall possess a valid Washington State certificate/endorsement as may be required.
 - c. **Groupings**: Employees will be grouped district-wide first in the following categories: (1) Elementary, Grades K through 5; (2) Secondary, Grades 6 through 12. Employees will then be grouped by education specialties within the above division. Specialties are defined as normally accepted academic major and/or minor fields.

- d. **Seniority:** When more than one employee qualifies for a position under the above criteria, the employee with the greatest seniority as an employee within the State of Washington shall be retained first.

If it is necessary to give notice of non-renewal to employees under these procedures, the District shall prepare and distribute to all employees, prior to implementation thereof, a list ranking each employee from the greatest to the least seniority in each specialty area for which they qualify.

2. **Employee Retention Listing:** Every employee in the District shall be listed in conformance with the aforementioned formula. The list shall be ordered from the highest rating (with respect to the formula) to the lowest.
