FROM THE DESK OF THE SUPERINTENDENT

MR. DJ SHEPARDSON

The conclusion of the 2021-22 school year is rapidly approaching. The class of 2022 will graduate on Saturday, June 25th at 10:00 AM in an outside ceremony on the football field. The logistics of the ceremony as well as guest information will be provided in the upcoming weeks. We will once again be streaming graduation live through our website for those unable to attend who would like the opportunity to view the ceremony.

Once again, I would like to thank members of the community for supporting the 2022-2023 budget and bus proposition. The ongoing support from the community allows the district to maintain all current programs while increasing opportunities for our students. I would also like to take the opportunity to congratulate the following staff members who will be retiring at the conclusion of the school year;

- Mrs. Patricia Lang – Teacher (26 years)
- Mr. Brian Anderson – Building Mechanic (28 years)

The district is grateful for their many years of dedicated service to West Canada Valley Central School.

Congratulations to Mrs. Jessica Bartlett, Mr. Roger Kemler, and Mrs. Shauna Michael for being re-elected to the West Canada Valley Board of Education.

The Class of 2022 has overcome many obstacles throughout their high school years. Although the short term losses both small and large have been disappointing; I am confident that this senior class has learned a great deal from these challenges and will move on to do great things in the years ahead. Thank you to all of the parents/guardians for supporting your children and the school district throughout their time here.

As always, preparations are underway for the upcoming school year. The district looks forward to taking the next step toward a typical school year. The district will spend a great deal of time planning to ensure that we are providing a safe instructional/learning environment for the upcoming school year. Staff will be working diligently on curriculum/instruction this summer. In addition, our summer programs for our students will be designed to prepare them for September. We look forward to welcoming students back to the building in September including the Class of 2023!!!

Once again thank you for your support. Stay safe/healthy and enjoy the summer months!

THE INTERNATIONAL CLUB HOSTS DONATIONS FOR UKRAINE

The International Club/Interact Club of West Canada Valley would like to thank all who donated to the people of Ukraine. From March 14-22 International/ Interact Club collected items to aid the displaced civilians of Ukraine. The community of West Canada Valley came out in their traditional generous fashion and we were able to collect and donate several items from our list. Students of the International Club/ Interact Club boxed the items and then delivered them to the Slavic Petacostal Church on Herkimer Road in Utica. The items will be sent by truck to New York City and then on to Poland, Europe to help Ukrainians seeking refuge there. Again, thank you for your generosity.

TRANSPORTATION DEPARTMENT

ANOTHER "SAFE AND SOUND" YEAR FOR TRANSPORTATION

As a parent you watch your children leave home in the morning and return in the afternoon on the school bus "safe and sound" from another day at school. That's just the way it has to be.

As your Transportation Supervisor I have the responsibility of overseeing upwards of 650 students that are transported every school day in a "safe and sound" manner using a fleet of 21 buses that travel close to 300,000 miles a year. I, like you, expect this to happen with all students being transported "safe and sound" every day. How do we accomplish this? It takes all of the following people and actions to make it work.

Every school day starts with the State, County, Township and Village highway departments making sure the roads are safe to travel on. Thank them for the great job they do.
The community support every year for the bus purchases, this is another important asset we have at West Canada. Our buses are the safest and most modern in the area. Thank you for the support.

The mechanics that maintain our bus fleet, they have obtained another year of success from New York State Department of Transportation for bus inspection. Each bus is inspected by a NY DOT inspector twice a year. Thank Shane Korniat and Eric Morse, our two mechanics, when you see them.

The bus drivers and monitors that are operating your children's bus are probably the most important ingredient of all to the "safe and sound" ride your children deserve. It is their personal judgment and skills that will ultimately assure your children ride the bus in a "safe and sound" manner every day. Thank them when you see them.

A big thank you from me to all the parents that make sure their children are loading and unloading safely and behaving on the bus so that a safe bus ride can be assured for all.

CAFETERIA CORNER

As we approach the end of this school year I would like to remind you that we continue to offer Free breakfast and lunch meals for all students, through June 30th .

Many students have taken advantage of this, and our school receives a reimbursement from the NYS and federal governments for each meal taken. It has still not been determined whether this wonderful benefit will be available for the students in the upcoming year.

For those who have supported our A 'la Carte foods and snacks, I thank you! Please be sure to settle up any accounts that are in a "negative" balance before the end of school. You are able to view these accounts on the My School Bucks website (: https://www.myschoolbucks.com) or you can contact my office for account balance information also.
