

# **BUILD GREENPORT'S FUTURE!**

## **STRONG SCHOOLS BUILD STRONG COMMUNITIES**

### **IT'S TIME TO RALLY TOGETHER FOR OUR STUDENTS AND THE FUTURE OF GREENPORT**

Our village is alive with a vibrant maritime history. We want to build on that history and encourage industries—from boat building to fisheries, to design and technology—to prosper here.

The Greenport Capital Improvement Bond is a crucial step in honoring that history. Whether preparing for the rigors of higher education, or acquiring skills for well-paying jobs in the maritime industry. This Bond creates a safe place and an innovative space that will help our children prepare for the future.

The Greenport Board of Education unanimously approved a Capital Improvement Bond referendum in the amount of \$23.87 million. The Bond will make critical repairs, renovate our educational program with state of the art improvements, and provide school safety and security enhancements.

**GREENPORT SCHOOLS**  
THE FUTURE

# BUILD GREENPORT'S FUTURE!

## STRONG SCHOOLS BUILD STRONG COMMUNITIES

### WHAT IS PROPOSED?

The Greenport Board of Education unanimously approved a Capital Improvement bond referendum in the amount of \$23.87 million. The bond will make critical repairs, renovate our educational program with state of the art improvements, and provide school safety and security enhancements.

### WHY NOW?

Repairing and improving our school preserves the community's investment in a building that is over 86 years old. Making necessary structural repairs and providing our children with enhanced educational experiences lays the groundwork for a healthy, safe and vibrant school; a healthy, safe and vibrant Greenport. In addition, **interest rates are low; investing today will mean future savings.**

### WHAT WILL IT COST?

The cost of the Bond will vary for residents, businesses, and agricultural properties. The chart below illustrates approximate cost based on property value.

| PROPERTY VALUE | PER MONTH | YEARLY |
|----------------|-----------|--------|
| \$330,000      | \$30      | \$355  |
| \$520,000      | \$46      | \$558  |
| \$615,000      | \$55      | \$659  |

### WHAT HAVE OTHER DISTRICTS INVESTED IN THEIR SCHOOLS?

The following list of area schools show how they have used Bond referendums, over the last 20 years, to repair and renovate their facilities.

| SCHOOL DISTRICT      | BONDS        | ANNUAL BUDGET |
|----------------------|--------------|---------------|
| Riverhead            | \$78,000,000 | \$140,380,950 |
| Southold             | \$22,535,750 | \$29,981,000  |
| Mattituck- Cutchogue | \$42,910,000 | \$40,676,974  |
| Bridgewater          | \$30,700,000 | \$16,297,465  |
| Greenport            | \$ 8,775,000 | \$19,038,000  |

### Need More Information?

Go to: [gufsd.org](http://gufsd.org) and select > Greenport Capital Improvement Plan. Here you can read frequently asked questions and view a slideshow on areas identified for repair and renovation and architectural renderings of new educational spaces. You can also contact David Gamberg, Superintendent of Greenport Schools at [dgamberg@gufsd.org](mailto:dgamberg@gufsd.org)
