Dear Stakeholders,

In compliance with the **Title I Parents' Right to Know** provisions, we are writing to inform you that, to date, there has been no need to utilize substitute teachers in place of regularly assigned teachers within our school.

All classrooms have been staffed with qualified teachers who meet state certification requirements and are teaching in their area of expertise. We remain committed to ensuring that every student receives high-quality instruction from skilled educators.

Should this status change in the future, we will provide timely updates to maintain transparency and uphold your right to know.

Thank you for your continued partnership in fostering a strong and supportive learning environment for our students.

Sincerely,

Melanie C. Harris

Principal
