Dear University City Families,

Today, we were made aware of a troubling Instagram post that is currently being investigated.

Five districts in our region, including The School District of University City, were listed in the post that could be perceived as a threat. While we do not believe that this threat is credible, we have taken all appropriate actions, including working with law enforcement to investigate fully. We will keep our community posted on any further developments.

Thank you to those of you who have helped report the post. We appreciate the continued partnership with you, our community, to ensure the well-being of our staff and students.

Should you have additional questions or concerns, please don't hesitate to contact me.

In Service of Our Children,

Sharonica L. Hardin-Bartley, PhD, PHR
Superintendent
