PREAMBLE

This Agreement between the Board of Education of District 74, Cook County, Lincolnwood, Illinois and the Lincolnwood Support Staff Union incorporates a number of understandings that derive from the parties' mutual beliefs that each child attending the District's schools is entitled to an education of the highest quality. The attainment of this objective is a joint responsibility of the Board of Education, the administrative staff, and noncertified personnel.

Attainment of this objective requires mutual understanding and cooperation among the Board of Education, the administrative staff, and the support staff personnel. To this end, free and open exchange of views is desirable and necessary, with all parties participating in good faith negotiations.

ARTICLE I - RECOGNITION

1.1 RECOGNITION OF THE UNION

The Board recognizes the Lincolnwood Support Staff Union, Local 1274, IFT/AFT, hereinafter referred to as the "Union," as the sole and exclusive bargaining agent for all full- and part-time regularly employed noncertified personnel, including aides, secretary/clerical employees, custodial, maintenance, building and grounds employees, technology employees, food service employees, and noncertified nurses ("employees"). The following are not to be included in the bargaining unit: all managerial, supervisory, confidential and short-term employees as defined by the Illinois Educational Labor Relations Act ("IELRA"), the Director of Building and Grounds, Administrative Assistant to the Superintendent, Administrative Assistant to the Business Manager, Administrative Assistant to the Assistant Superintendent for Curriculum and Instruction, Payroll Clerk/HR Assistant, and the Network Systems Engineer.

1.2 UNION'S EXCLUSIVE BARGAINING RIGHTS

The Board agrees not to negotiate with any other employee organization, individual employee, or group of employees with regard to negotiable items as defined in Section 16.3 of this Agreement; provided it is understood that individuals or groups of employees retain the right to talk with the administration and the administration to talk with employees on any matters relating to their terms and conditions of employment so long as those discussions do not constitute negotiations.

ARTICLE II - EMPLOYEE AND UNION RIGHTS

2.1 FREEDOM TO JOIN THE UNION

Noncertified employees have the right to join or not to join the Union. Membership in the Union is not required as a condition of employment.

2.2 UNION DUES DEDUCTION

The Board shall, following the receipt of an authorization form signed by the employee from the Union, withhold Union dues from the compensation of that employee. Under such arrangement, an amount shall be withheld twice each month from October through May that is equal to the pro rata share of the annual membership dues. The Board shall remit such deduction to the Union no more than ten (10) working days after the payday for which the deduction is made. The employee has the right to revoke his/her dues authorization in accordance with the Union's authorization form.

The Union shall indemnify and hold harmless the Board, its members, officers, agents, and employees from and against any and all claims, demands, actions, complaints, suits, or other forms of liability that shall arise out of or by reason of action taken by the Board for the purposes of complying with the above provisions of this Section, or in reliance on any list, notice, certification, affidavit, or assignment furnished under any of such provisions.

2.3 COPE DEDUCTION

The Board, upon the receipt of a written authorization from an employee, shall deduct the authorized amount of an employee's voluntary contribution to the North Suburban Teachers Union's Committee on Political Education (COPE) from his/her pay. This contribution shall be deducted from the last paycheck in October and forwarded to the Union no more than ten (10) working days after the payday from which such deduction is made.

2.4 APPEARANCE BEFORE THE BOARD

No employee is to be dismissed during the term of a contract except at an official meeting of the Board. Any employee who has been recommended for dismissal shall be given the reasons in writing and shall be given an opportunity to appear before the Board to present his/her views concerning the proposed action. Upon the member's request, representatives of the Union may be present at this Board appearance.

2.5 USE OF BULLETIN BOARDS

The Union may use a designated bulletin Board in each building's staff lounge for posting notices of activities and other official organization materials; however, all notices shall be subject to the District's general policies (such as those related to non-discrimination, non-harassment, non-disparagement, decorum, and in accordance with the District's

Acceptable Use policy). In addition, postings shall not take any position on candidates for local elections.

2.6 USE OF BUILDINGS

The Union and its representatives have the right to schedule and hold official meetings on District property, provided that such meetings do not interfere with the instructional program, that the Union shall not interfere with those employees who are still within workday hours or are performing some other paid duty, that the building principal is notified one (1) day before any such meeting, and that if special custodial service is required, the Board may assess the Union a reasonable charge.

2.7 BOARD MEETINGS, AGENDAS, BOARD PACKETS, AND MINUTES

The Board will post to its website all Board meeting and Board-committee meeting agendas; non-confidential portions of Board packets, if applicable; and approved open session meeting minutes. In addition, communications shall not take any position on candidates for local elections.

The Board will post to its website the current version of all its official policies, rules, regulations, and handbooks. The President of the Union or his/her designee may access such materials via the District website.

2.12 FAIR SHARE

Due to the U.S. Supreme Court's ruling in *Mark Janus v. American Federation of State, County and Municipal Employees, Council 31* on June 27, 2018, the provisions of this Section that required the deduction of "fair share" agency fees through the 2017-2018 school year have been deleted.

The Union shall indemnify and hold harmless the Board, its members, officers, agents, and employees from and against any and all claims, demands, actions, complaints, suits, or other forms of liability that shall arise out of or by reason of action taken by the Board for the purposes of complying with the above provisions of this Section, or in reliance on any list, notice, certification, affidavit, or assignment furnished under any of such provisions.

ARTICLE III - MANAGEMENT RIGHTS CLAUSE

3.1 MANAGEMENT RIGHTS

All management rights and functions, except those which are clearly and expressly abridged by this Agreement shall remain vested exclusively in the Board. It is expressly recognized, merely by way of illustration and not by way of limitation, that such rights and functions include, but are not limited to (1) full and exclusive control of the management of the District, the supervision of all operations, the methods, processes, means and personnel by which any and all work shall be performed, the control of property and the composition, assignment, direction and determination of the size and type of its working force; (2) the right to determine the work to be done and the standards to be met by employees covered by this Agreement; (3) the right to change or introduce new operations, methods, processes, means or facilities, and the right to determine whether and to what extent work shall be performed by employees; (4) the right to hire, establish and change work schedules, set hours of work, establish, eliminate or change classifications, assign transfer, promote, demote, release and lay off employees; (5) the right to determine the qualifications of employees, and to suspend, discipline, and discharge employees for cause and otherwise to maintain an orderly, effective and efficient operation.

Further, the Union reserves its right to object to and disagree with any action the Board takes.

5.1 VACANCY POSTING

If a vacancy, which term does not include a mere redeployment of staff because of a reduction in force, occurs in a position covered by this Agreement as a result of a resignation, termination, transfer, or new position, then so long as there are no qualified employees entitled to be recalled from a RIF, a notice of such vacancy shall be emailed to all then-current employees on their District email accounts at least five (5) working days (or five (5) business days during the summer) before the vacancy is posted publicly. The Board shall maintain only one official personnel file.

6.2 RIGHT OF ACCESS

Each employee shall have access, for examination purposes, to all of the material in his/her personnel file, with the exception of any evaluative or reference information received by the Board prior to the employee's first employment day with the District. The examination of the personnel file shall occur during normal business hours at a time that does not interfere with the employee's normal duties. The employee may be accompanied on such examination by a representative of the Union. A member of the administration must be present at all times during the personnel file review.

6.3 PLACEMENT OF MATERIAL IN FILE

Any evaluation or disciplinary material placed in the file shall be signed and dated, and a copy shall be given to the employee or placed in the employee's mailbox at or about the same time it is inserted in the personnel file.

ARTICLE VII - EVALUATION

Each employee's job performance will be evaluated by his/her direct supervisor. Both the evaluator and the employee shall date and sign all copies of any written evaluation. The signature of the employee does not necessarily indicate agreement with the written evaluation, but rather indicates that the employee received the written evaluation. Upon the employee's request made within five (5) business days of the initial conference, a follow-up meeting shall be scheduled for further review and feedback regarding the written evaluation. An evaluator may change or amend the written evaluation based upon information gained through this follow up meeting. A copy of all written evaluations and any attached written objections shall be placed in the employee's official personnel file. - For teacher intern's probationary period, see Article IV, Section 4.8.

8.2 COMPLAINTS

When a complaint regarding an employee that may result in discipline is made to an administrator, the administrator shall make the employee aware of the complaint and give the employee a chance to respond before imposing any discipline. Administration shall notify the employee of his/her right to Union representation prior to any discussion with the employee on the complaint. The Superintendent may suspend an employee with pay while investigating a complaint against him or her and, at the conclusion of the investigation, suspend an employee without pay pending Board action on a recommendation to terminate the employee or pending the outcome of criminal proceedings against the employee.

8.3 DISCIPLINARY INVESTIGATION AND MEETINGS

Employees shall be afforded due process when subject to disciplinary investigations. Due process shall include timely notification to the employee when an investigation that may lead to discipline is being conducted; a meeting with the employee, his/her Union representative, and the investigating administrator in which the employee shall be appraised of the charges/evidence that may result in discipline and given the opportunity to respond to charges and present evidence; and the careful consideration and follow up on employee statements and evidence provided prior to an administrative decision regarding discipline is made. In any meeting where the employee has a reasonable expectation that discipline may result, the employee is entitled to have Union representation upon request. If representation is not available immediately, the meeting shall not proceed at that time.

8.4 JUST CAUSE

Other than paid suspensions pending the investigation of a complaint, a non-probationary employee shall not be given a written reprimand, suspended without pay or dismissed without just cause.

ARTICLE IX - REDUCTION IN FORCE/RECALL

9.1 COMPLIANCE WITH SCHOOL CODE

Any reductions or recall of full-time educational support personnel shall be in compliance with the Illinois *School Code* (105 ILCS 5/10-23.5). This Section 9.1 is for reference only and is not grievable or arbitrable.

9.2 NOTICE TO UNION

Five business days before the Board makes any reduction in personnel, it shall inform the Union regarding such reductions and before taking action.

9.3 REDUCTION BY ATTRITION

When such reductions in personnel are required, the administration shall attempt to achieve the reductions by attrition.

9.4 RIF ORDER

When reductions in force cannot be accomplished completely by attrition, the Board will base reductions within classification on the basis of the employees' two most recent evaluation ratings average, with employees who have the lowest evaluation rating being laid off first. Where employees have equal evaluation ratings, they will be laid off on the basis of seniority within classification with those employees with the lowest seniority being laid off first.

ARTICLE X - GRIEVANCE PROCEDURE

10.1 DEFINITION

A grievance is defined as a written claim that there has been a violation, misinterpretation, or misapplication of a specific provision of this Agreement. No grievance shall be processed or entertained unless it is filed within fifteen (15) school days after the occurrence of the event that gives rise to the grievance. If school is not in session during any portion of the grievance process, school days shall be defined as business days. A grievance on the evaluation process may not be filed solely on the basis of a conclusion of the evaluator.

10.2 GRIEVANCE PROCESS

Informal Resolution: The Parties prioritize resolving conflict in an informal, expedited manner. As such, if a Bargaining Unit Member or the Union has a Grievance, it should be directed to the appropriate administrator, and a good-faith effort should be made to resolve that Grievance before its escalation to another level.

Step 1

If a grievance was not able to be resolved through the informal resolution process, the grievant shall file his grievance in writing with his direct supervisor or designee within fifteen (15) school days of the occurrence of the event that gives rise to the grievance. The direct supervisor or designee shall confer with the grievant in an attempt to resolve the grievance. A decision in writing shall be rendered to the grievant within fifteen (15) school days of the conference.

Step 2

If a satisfactory agreement is not reached at Step 1, the grievant may appeal to the Superintendent or his/her designee in writing within fifteen (15) school days after he/she has received the decision of the direct supervisor or his/her designee. The Superintendent or his/her designee shall confer with the grievant within fifteen (15) school days after the receipt of the appeal, and a written decision shall be rendered to the grievant by the Superintendent or his/her designee within fifteen (15) school days.

Step 3

If the grievance is not settled at the second step, the grievant may appeal to the Board in writing within fifteen (15) school days after he/she has received the decision of the Superintendent or his/her designee. The grievance shall be submitted to the Board to be considered as soon as practical thereafter. The grievant, acting independently or through the Union, may present a written grievance to the Board or may request an oral hearing, which may be granted at the discretion of the Board. If granted, the hearing shall be conducted by the full Board or by a subcommittee of the Board. The Board shall render its decision within fifteen (15) school days after the meeting.

Step 4

In the event the grievant is not satisfied with the disposition of his/her grievance at Step 3, the Union may submit the grievance to binding arbitration within fifteen (15) school days after receipt of the Board's answer in Step 3. The parties shall attempt to agree upon an arbitrator within fifteen (15) school days after receipt of the notice of referral. In the event the parties are unable to agree upon an arbitrator within the fifteen (15) school day period, the parties shall request an arbitrator from the American Arbitration Association. The selection of the arbitrator shall follow the standard operating procedures set forth by the American Arbitration Association. The arbitrator shall have no right to amend, modify, nullify, ignore, add to, or subtract from the provisions of the Agreement. He/she shall consider and decide only the specific issues submitted to him/her in writing and shall have no authority to make any decisions or recommendations on any other issue not so submitted to him/her. The arbitrator's decision shall be based solely upon his/her interpretation of the meaning or application of the specific terms of this Agreement to the facts of the grievance presented. The fees of the arbitrator shall be split between the parties.

ARTICLE XI – LEAVES, VACATION, & HOLIDAYS

11.1 SICK LEAVE, PERSONAL BUSINESS LEAVE, AND BEREAVEMENT LEAVE

A. Sick leave shall be available for uses defined in Section 24-6 of the Illinois School Code, which are currently: personal illness, quarantine at home, serious illness or death in the immediate family or household, or birth, adoption, or placement for adoption. The Superintendent and/or designee shall monitor the use of sick leave. Abuse of sick or personal leave is subject to discipline.

- Ten (10) month employees shall receive fifteen (15) paid sick days per year, of which four (4) shall be considered personal days. Any personal days not used by the end of the employee work year accrue as sick days. Part-time employees will receive sick leave day(s) equivalent to their work day.
- All full-time twelve (12) month employees will receive seventeen (17) paid sick days and four (4) personal days. Any personal days not used by June 30 accrue as sick days. Part-time employees will receive sick leave day(s) equivalent to their work day.

Unused sick leave shall accumulate without limit. Sick leave days are available for use after the employee reports for his/her first day of work and annually thereafter on the first day of the work year. For sick leave accrual purposes, the work year for 12-month employees begins on July 1; for 10-month employees, it begins the first workday of the school year for each classification. Employees who are hired or first report to work in the middle of the work year receive sick days pro-rated based on the number of days remaining in the work year.

- B. For purposes of this Section, “immediate family” includes parents, spouse, brothers, sisters, children, grandparents, grandchildren, parents-in-law, sisters-in-law, brothers-in-law, stepchild, stepparent, and legal guardians.
- C. The Board may require a physician’s certificate, or if the treatment is by prayer or spiritual means, that of a spiritual advisor or practitioner of such person’s faith, as a basis for pay during leave after an absence of three (3) days for personal illness, 30 days for birth, or as it may deem necessary in other cases.
- D. Paid personal leave in the amount listed in Section 11.1(A) is granted for the purpose of transacting or attending to personal, legal, business, household, or family matters that require absence during school hours.
1. Part-time employees are granted personal business leave days on a prorated basis.
 2. Employees are not required to disclose the reason for personal business leave.

3. For 10-month employees only, personal leave will not be granted for the extension of a break or holiday (other than for a religious holiday), on institute days, or on parent-teacher conference days or evenings.
 4. Except in extraordinary situations, personal leave shall not be used or granted during the first three (3) days of student attendance (except an employee may request an exception to accompany a child to college or kindergarten orientation) and the last three (3) days of student attendance. Exceptions to these blackout days shall be at the discretion of the employee's immediate supervisor.
 5. Written notification for such leave shall be given to the employee's direct supervisor at least three days in advance of an expected absence. In case of emergency, written notification shall be submitted to the employee's supervisor on the first school day following the absence.
- E. Paid sick days may not be used by a 10-month employee who is working at summer school or is on an approved unpaid leave. Further, additional sick leave days will not be granted to an employee who is on an approved unpaid leave.
- F. Employees may access their sick leave report online. This report shall include (1) sick leave accumulation as to the beginning of the previous school year, (2) the record of days deducted the previous year, (3) the days advanced for the current school year and (4) the total number of days credited and applicable for the current school year. Employees shall review and report any discrepancies in this information within the first four (4) weeks of the work year; after that point, the information will be deemed final and accurate.
- I. Whenever an employee is absent from work as a result of a personal injury or accident arising out of and in the course of his/her employment that led to a workers' compensation claim that has been approved by the District's workers' compensation carrier, in addition to the workers' compensation disability benefits paid, the District shall pay 1/3 of a day of the employee's sick leave (if available), which shall be deducted from the employee's current or accumulated sick leave in 1/3-day increments.

11.2 FAMILY AND MEDICAL LEAVE ACT (FMLA)

The Board shall grant unpaid Family/Medical Leave to employees who qualify for such leave under law. Leave shall be granted for up to 12 weeks per rolling 12-month period. An employee granted an FMLA leave will continue to be covered under the district's group health and dental insurance plan, life insurance plan, and long-term disability plan under the same conditions as coverage would have been provided if the employee had worked continuously during the leave period. (The employer will continue to make premium payments in the amounts required by this Agreement. Employee contributions will be required either through payroll deduction or by direct payment to the District, with the

employee being advised in writing at the beginning of the leave period as to the amount and method of payment required.)

Leave taken for a purpose that qualifies for FMLA leave will be counted against the employee's FMLA entitlement. If the purpose for the leave also qualifies for the use of paid sick leave, the employee shall use paid sick leave concurrently with FMLA leave. Additional information concerning FMLA requirements and benefits shall be provided to employees by the business office upon request.

11.3 LEAVE DURING PREGNANCIES AND ADOPTIONS

A. Use of Sick Leave During Pregnancy or Adoption

1. Pregnancy shall be treated like an illness. In such instances, the employee may begin taking accrued sick leave, as limited in Section 11.3(A)(4) below, whenever it is medically necessary, but no later than when she is unable to perform her duties satisfactorily. The term "satisfactorily" means as certified by a doctor.
2. For the purpose of ascertaining the duration of the leave in case of adoption, the date that the child is placed with the parent or parents shall be equated with the date of birth.
3. An employee shall notify the Superintendent in writing at least four (4) weeks prior to the date that the employee will begin using sick days for pregnancy or adoption.
4. Typically, employees who miss days of work following the birth of a child shall be allowed, to the extent they have accrued such days, to use up to thirty (30) working school days of paid sick leave, which days may be used at any time within the 12-month period following the birth of the child. In the event of a C-Section delivery, an additional ten (10) working school days may be used if all such leave is taken continuously within the eight (8) calendar weeks following the birth.
5. Employees whose personal health is compromised after delivery, or whose infant is chronically ill, will be allowed to use paid sick leave (if available) beyond the typical recovery period on the physician's orders.
6. The Board reserves the right to secure a medical evaluation from a physician of its choice. If such an evaluation is secured, the Board shall pay the costs.
7. An employee who is not eligible for FMLA leave and does not have enough sick leave to cover the days of work missed following the birth or placement of a child is entitled to up to a 30-consecutive-school-day leave so long as such leave is used within the same work year. The employee must use

his/her accrued sick days as a basis for pay, and after exhaustion of his/her accrued sick days, any remaining days of the leave will be unpaid.

B. Use of Family and Medical Leave Taken to Care for Newborn/Newly Placed Child

Eligible employees shall use up to twelve (12) weeks of FMLA leave to care for a newborn or newly placed child during the first twelve (12) months following the child's birth or placement. Available sick leave up to thirty (30) working school days shall be used as a basis for pay and shall run concurrently with the FMLA leave. The remainder of such leave shall be unpaid after the exhaustion of paid sick leave. FMLA leave taken to care for a newborn or newly placed child may not be taken on an intermittent basis and may not be used to demand a part-time position.

11.4 LEAVE AS DELEGATE TO I.F.T. CONVENTION

Upon written request, at least 30 days in advance, one member of the Union shall be excused without loss of salary, or without being charged for leave, to serve as a delegate to the annual Illinois Federation of Teachers Convention. The Union shall reimburse the Board for the cost of a substitute if necessary. The absence shall be for no more than one school day.

11.5 UNPAID LEAVE OF ABSENCE

Upon an employee's request, a leave of absence for up to one year may be granted without pay upon the recommendation of the Superintendent and approval of the Board.

1. Conditions of Unpaid Leave

- a. All requests for unpaid special leave must be submitted in writing to the Superintendent at least four weeks prior to the beginning date of the leave.
- b. An employee who is on an approved leave during the school year must notify the Superintendent by April 1st of his/her intention to return to the District the following school year. Failure to so notify the Superintendent shall constitute a resignation.
- c. Employees who take a full year of unpaid leave will not be granted, and may not use, accrued sick leave days for the year of such leave.

2. Benefits of Unpaid Leave Shall Be Limited to the Following:

- a. While on leave, the employee may continue to participate in the District insurance plan for the duration of the leave if he/she pays all premiums and the carrier permits his/her continued participation.

- b. Upon return from the leave, the employee is guaranteed a position in the District for which, in the Board's judgment, the employee is qualified.
- c. The employee retains all unused sick leave accrued as of the start of the leave.

11.6 VACATIONS

All regular twelve month employees shall be entitled to a paid vacation day allotment in accordance with the following schedule.

Years of Service	Number of Paid Vacation Days Per Year
Year One through Year Five	15 days
Years Six through Years Ten	18 days
Beyond Ten Years	21 days

With the exception of employees who began employment no later than June 1, 2011, vacation accrued during the first year of employment and in each subsequent year shall be available for use beginning on July 1st of the next year. If date of employment is after July 1, the number of days in the first year of employment shall be prorated at one (1) day per month. Vacation requests shall be entered in to the AESOP system at least one (1) week in advance of the day off; however, exceptions can be made at the discretion of the employee's immediate supervisor.

Approval shall be made by the employee's immediate supervisor no later than five (5) calendar days after the initial request is entered. If an employee has not received approval within that time period, the request shall be assumed granted. Once a vacation day(s) is approved, approval cannot be revoked. Approval of vacation days to be taken in the two weeks prior to the start of student attendance or in the week before school ends is at the discretion of the employee's immediate supervisor.

On August 1 of each year, up to five (5) unused vacation days shall be rolled into the employee's sick leave accumulation and any remaining unused days shall be forfeited unless an exception for an extension is granted by an employee's supervisor. No extensions granted prior to the signing of this agreement shall be subsequently denied.

11.7 PAID HOLIDAYS

All 12-month employees shall be entitled to the following paid holidays:

- New Year's Day;
- Dr. Martin Luther King, Jr.'s Birthday*;

- President's Day;
- Casimir Pulaski's Birthday*;
- Memorial Day;
- Juneteenth (if it falls on the employee's regularly-scheduled workday);
- Independence Day;
- Labor Day;
- Columbus Day*;
- Thanksgiving Day;
- Friday following Thanksgiving Day;
- Christmas Eve Day;
- Christmas Day;
- New Year's Eve Day

* The above days may be subject to the mandate waiver policy. If school is held on those days, employees are required to work but shall be given an additional personal day for each waiver day.

All 12-month employees shall be required to work the days that the District Office is open.

In the event New Year's Day, Independence Day, Christmas Eve, or Christmas Day falls on a weekend, full-time 12-month employees will be granted a work day off. The day to be granted off will be determined by the Administration.

In the event of an emergency or to ensure the essential operation or maintenance of a school, the District reserves the right to require certain necessary employees to work on the above holidays. An employee scheduled to, or called in to, work on such holidays shall record his/her hours worked on such days and submit them to the District for payment.

ARTICLE XII – PROFESSIONAL DEVELOPMENT

12.1 PROFESSIONAL DEVELOPMENT COMMITTEE

Two members of the Union appointed by the Union and one or two administrators shall meet annually to discuss and plan professional development opportunities for educational support personnel.

12.2 OUT-OF-DISTRICT PROFESSIONAL DEVELOPMENT

Tuition, registration fees, and other pre-approved expenses associated with pre-approved support staff attendance at administratively pre-approved workshops and other similar activities will be reimbursed. Reimbursement is contingent on submission to the Superintendent or designee of documented proof of expenses and verification of successful completion. If attendance is mandatory and/or with pre-approval and outside the employee's normal workday, an employee shall receive paid time for attendance.

ARTICLE XIII - SALARY AND RELATED PROVISIONS

13.1 WAGES

Employees will receive wage increases of 3.0% in years 2023-2024, 2024-2025, and 2025-2026 of this Agreement. For the 2022-2023 year, returning employees will receive one-time market adjustments in amounts agreed to by the parties and as set forth in the concurrent Memorandum of Agreement.

For employees either adjusting hours or positions, the above wage increases are in addition to any other salary adjustment being made.

13.2 COMPENSATION FOR EXTRA DUTIES

A. Lunch Room Supervision

Classified employees who agree to work through their assigned duty-free lunch period shall be offered an alternative time for a duty-free lunch. If the District is not able to offer an alternative time for lunch, the employee will be paid for the time worked.

B. Other Supervision

Classified employees are paid the same stipend rate paid to professional-educator-licensed employees for supervision duties performed outside the regularly scheduled work day.

ARTICLE XIV - FRINGE BENEFITS

14.1 ELIGIBILITY OF PART-TIME EMPLOYEES

Any employee scheduled to work at least thirty (30) hours or more per week is entitled to receive fringe benefits for which he/she is eligible under the applicable District plans on a pro rata basis. However, any employee who was employed as of June 1, 2011, and who was participating in the District health or dental insurance plans in the 2010-2011 school year is permitted to continue to maintain benefits as long as the employee continues in a position that requires at least 25 hours per week. If such an employee discontinues benefits and later seeks to reinstate benefits, the 30-hour threshold will apply.

14.2 LIFE INSURANCE

The Board shall pay the premium for term life insurance in the amount of fifty thousand dollars (\$50,000) for each full-time employee who has completed one year of service with the District. Employees may purchase additional life insurance in blocks of ten thousand dollars (\$10,000), provided total life insurance coverage does not exceed two hundred-fifty percent (250%) of an employee's base salary. This life insurance benefit is subject to age-based reductions as dictated by the policy.

14.3 LONG-TERM DISABILITY INSURANCE

The Board shall pay the total premium for long-term disability insurance for all full-time employees.

14.4 HOSPITAL, MAJOR MEDICAL AND DENTAL INSURANCE

Employees may participate in the District's group hospital, major medical and dental insurance plans. The provisions covering that participation are:

- A. For the 2018-2019 school year, seventy percent (70%) of single or family membership shall be paid by the Board toward the hospital and major medical insurance coverage for all full-time employees. In each subsequent year of this Agreement, the Board shall pay 70% of any increase in the cost of hospital and major medical premiums up to a 6.5% premium increase over the prior year, and the Board and the employee shall split any premium increase in excess of 6.5% over the prior year on a 50/50 basis. In any year in which an increase in premium costs exceeds 6.5%, the Board's contribution rate shall be recalculated and shall continue at that percentage unless and until there is another increase in premium costs in excess of 6.5%, at which point the Board's contribution rate shall be recalculated again. In the event of less than a 6.5% increase in premium costs, there shall be no recalculations and no carryover to a subsequent year.

For example, suppose premiums in Year 1 were \$500 per month. The Board would pay 70%, or \$350.

Year 2 with 6.5% or Less Increase in Premiums

Suppose the premiums increased by 4% in Year 2, to \$520 per month, the Board would still pay 70%, which would be \$364. The Board would continue paying 70% of premiums and premium increases thereafter unless and until a premium increase exceeds 6.5%.

Year 2 with Greater than 6.5% Increase in Premiums

However, suppose the premiums instead increased by 8% in Year 2 (to \$540 per month), the calculation would work as follows:

- the Board continues to pay 70% of the prior year's premiums (i.e., the same \$350 it paid in Year 1); plus
- for the first 6.5% of the increase in premiums (i.e., the first \$32.50 per month), the Board will pay 70%, or \$22.75; plus
- for the remaining 1.5% increase in premiums (i.e., the remaining \$7.50 per month), the Board will pay 50%, or \$3.75.

This would equal a total Year 2 premium payment by the Board of \$376.50 per month, or 69.7% of the total premium increase. The Board would continue paying 69.7% of premiums and premium increases thereafter unless and until a premium increase again exceeds 6.5%.

- B. Employees may elect health insurance coverage through a Health Maintenance Organization. In such case, the Board shall pay the same percentage amount toward the HMO premium that it pays toward the premium of the district's primary group hospital and major medical plan selected by the Board.
- C. Eighty-five percent (85%) of single and family membership shall be paid by the Board toward the dental insurance coverage for all full-time employees.
- D. The insurance program identified in paragraph A shall be no less than that provided to teachers.
- E. If federal health care reform legislation or new regulations developed in connection with that legislation will impose additional costs or taxes on the District because of the provisions in this Section 14.4 during the term of the contract, the parties agree to meet and negotiate plan design changes or other changes in other health plan terms sufficient to avoid such additional costs or taxes.

14.5 SALARY REDUCTION PLAN

The Board shall maintain a salary reduction plan that meets the requirements of Section 125 of the Internal Revenue Code. If, at any time, such Section 125 or related regulations are amended, the parties shall promptly revise the plan to comply with the amendment.

14.6 INSURANCE COVERAGE FOR RETIREES

Insurance coverage is extended to Medicare eligibility for all support personnel who retire from the District after reaching age fifty-five (55), provided the employee has been a full-time employee in District 74 for at least the following periods:

Age	55	56	57	58	59	60
Years	20	19	18	17	16	15

For those employees who had ten years of service to the District as of June 1, 2011, the employer contribution for insurance coverage for retired support personnel shall be at the same rate as is available to active employees for single or family premium coverage, if the employee had such coverage at the time of retirement.

For those employees who did not have ten years of service to the District as of June 1, 2011, the employer contribution for insurance coverage for retired support personnel shall be at the same rate as is available to active employees for single premium coverage.

14.7 PAYMENT FOR UNUSED SICK LEAVE

Employees hired before June 1, 2014 retiring at age fifty-five (55) or older may receive a stipend for each unused sick day in excess of those applied toward their I.M.R.F. Retirement Plan. (For every 20 days up to 240 days of unused uncompensated sick leave, the employee receives one month of credit in the I.M.R.F. Retirement plan). The stipend shall be 1/3 of the employee's per diem wage rate for employees having ten years of service to the District as of June 1, 2011 and 1/10 of the employees per diem wage rate for all other employees who are eligible.

Employees hired after June 1, 2014 may receive a stipend for each unused sick day in excess of those applied toward their I.M.R.F. Retirement Plan upon retirement at age fifty-five (55) or older. The stipend shall be 1/10 of the employee's per diem wage rate.

This payment will be made in the month after the month following the employee's date of retirement (e.g., an employee who retires as of June 15 will be paid in August).

14.8 RETIREMENT STIPEND

As a reward for longevity of service, educational support personnel who have been employed by District 74 for at least fifteen (15) consecutive years of full time service and who have ten years of service to the District as of June 1, 2011 shall qualify for a retirement stipend, calculated as follows:

- First ten (10) years of service \$150 per year
- Next five (5) years of service \$200 per year
- Next five (5) years of service \$250 per year
- All remaining years of service \$300 per year

For each employee who qualifies for the retirement stipend and submits an irrevocable written notice of resignation from the District for purposes of retirement, the retirement stipend will be paid by increasing the employee’s Illinois Municipal Retirement Fund (“IMRF”) earnings by the maximum amount permitted by IMRF without triggering an “Accelerated Payment” for the District (as such term is defined by the IMRF). The payments for this retirement stipend will be paid with the employee’s regular payrolls for the shortest of the following periods, as determined by the length of the employee’s notice:

- (a) the employee’s final three (3) years of employment, if notice is given 3 years or more before resignation; or
- (b) the period of time remaining prior to resignation, if notice is given less than 3 years before resignation.

Any portion of the retirement stipend not paid due to the Accelerated Payment limitation set forth above and still remaining after the effective date of resignation will be paid to the employee as a lump sum in the month after the month following the resignation date (e.g., an employee who resigns effective June 15 will be paid in August).

An employee who resigns earlier than the effective date of retirement stated in his/her notice will receive the remainder of his/her retirement stipend as a post-retirement payment in the month after the month following his/her actual resignation date. The Board intends this retirement stipend to constitute an applicable employment retention plan under 26 U.S.C. 457(f).

14.9 TRANSPORTATION

Employees required to use their own automobile to travel as part of their normal work day, other than their normal commute to and from work, or for pre-approved special circumstances or training will be reimbursed for expenses at the current IRS rate.

14.10 NURSING LICENSURE AND RENEWAL

The District shall reimburse nurses for the cost of their nursing license renewal fees upon submission of evidence of payment. The District shall bear the cost of any courses required by the District for additional endorsements or certifications associated with the nursing license, e.g., if the District were to require a nurse to become certified in hearing and vision.

14.11 TUITION AND FEE REIMBURSEMENT

At least one month before the start of a program or course, an employee who wishes to request tuition and fee reimbursement must submit a written request (which must include a description of the course or program) for approval to the Superintendent or his/her designee. Requests will only be considered for approval if they will advance the employee's knowledge and abilities in the employee's work assignment or if, for nurses, the program or course is required for Illinois nursing licensure renewal. The approval or denial under this section of any coursework or of any program is non-precedential and is not subject to the grievance procedure of this contract.

Upon submission of official transcript(s) and receipts(s) for pre-approved programs or courses and expenses in writing to the Superintendent or designee, the employee will be reimbursed for the tuition cost and fee(s) of such course(s) up to the following limits:

- Up to \$500.00 per year for satisfactorily completed course work; and
- For nurses, up to the amount necessary to maintain their nursing license for satisfactorily completed courses, workshops, projects and seminars required by Illinois nursing licensure renewal requirements.

If an employee voluntarily terminates his/her employment in the District, he/she shall repay any reimbursement received since the beginning of the last school year.

14.12 UNIFORM ALLOWANCE

Kitchen Staff and Custodial/Maintenance employees shall receive a uniform (including shoe) allowance (safety standards) per year not to exceed \$100 per year.

14.13 PARAPROFESSIONALS SUBSTITUTING AS TEACHERS

Any paraprofessional who has a valid Illinois teaching or substitute license shall be paid an additional \$3.00 per hour for performing duties of a substitute teacher.

ARTICLE XV - NO STRIKE NO LOCK OUT

The Union agrees not to strike, picket, or engage in, encourage, or support any cessation of work, slowdown, or other concerted refusal to render uninterrupted services in the District or the administrative offices of the Board for the duration of the Agreement or the extension thereof. Similarly, the Board or its administrators agrees not to lock out any employees covered by this Agreement during the term of this Agreement or the extension thereof.

ARTICLE XVI - NEGOTIATIONS PROCEDURE

16.1 START OF NEGOTIATIONS

The initial meeting between the designated representatives of the Board and the Association shall occur no later than March 1 of the final year of the contract.

16.2 RIGHT TO INFORMATION

The Union shall be furnished on request all regularly and routinely prepared information concerning the financial condition of the District including the annual financial statement and the adopted budget. In addition, the Board and administration shall grant reasonable requests for other readily available and pertinent information that may be relevant to negotiations. Nothing herein shall require the central administrative staff to research and assemble information. The Union shall furnish copies of any pertinent information as reasonably requested by the Board.

16.3 SCOPE OF NEGOTIATIONS

The Board and the Union agree to negotiate in good faith with respect to the following items:

- A. wages
- B. hours
- C. terms and conditions of employment

The obligation to negotiate in good faith means the mutual obligation of the Board and the Union to meet at reasonable times and to confer in good faith with respect to wages, hours, and terms and conditions of employment. However, this obligation does not compel either party to agree to a proposal or require the making of a concession. Disputes involving the negotiability of an issue or topic shall not be resolved under the grievance process of this Agreement, but rather may be submitted by either party to the Illinois Education Labor Relations Board for resolution.

16.4 TENTATIVE AGREEMENTS

The representatives of the Board and the Union shall have the power to reach tentative agreements, which shall be reduced to writing and distributed to the Board and the Union for final approval.

16.5 MEDIATION

If agreement is not reached within 60 days of the commencement of negotiations, either party may declare to the other in writing that an impasse exists and call for a mediator. When an impasse has been declared, the Federal Mediation and Conciliation Service shall be requested by the parties to appoint a mediator from its staff. The mediator shall meet as soon as possible with the parties or their representatives, or both, either jointly or separately.

ARTICLE XVII - EFFECT OF AGREEMENT

17.1 COMPLETE UNDERSTANDING

The terms and conditions set forth in this Agreement represent the full and complete understanding between the parties. The parties hereby agree that this Agreement terminates and supersedes any and all prior agreements and practices, policies, rules, or regulations concerning any subject, whether covered by this Agreement or not. The terms and conditions may be modified only through the written mutual consent of the parties.

17.2 SAVINGS CLAUSE

Should any article, section, or clause of this Agreement be declared illegal by a court of competent jurisdiction, then that article, section, or clause shall be deleted from this Agreement to the extent it violates the law. The remaining articles, sections, and clauses shall remain in full force and effect.

17.3 PRECEDENCE OF AGREEMENT

If there is any conflict between the written terms of this Agreement and the terms of any individual contract of employment, the written terms of this Agreement shall govern. If there is any conflict between the written terms of this Agreement and written Board policies or written Board rules and regulations that may from time to time be in effect, the written terms of this Agreement shall govern.

17.4 TERM OF AGREEMENT

When signed by both parties, this Agreement shall become effective July 1, 2022, and shall remain in effect until June 30, 2026. In lieu of a separate memorandum of understanding, the parties further agree that the language changes in Sections 4.5, 11.7, and 14.6 herein shall take effect immediately upon approval by both parties.
