Its name is based on the Latin term for ten. In the Roman calendar, December was the tenth month until the addition of January and February at the beginning of the year. In the Northern Hemisphere December has the shortest daylight hours and marks the beginning of winter.</p> |  |   |

**We Are Hiring!**  
Work for us while your kids are in school! Various positions available. Apply online at [cb-schools.org](http://cb-schools.org)

**Fruit of the Month: Kiwi**  
Kiwi is a tiny, yummy fruit full of vitamin C and fiber! It helps fight germs and keeps your tummy happy. You can eat it with or without the skin. Let it ripen on the counter, then enjoy it when it's soft and sweet. Kiwi is fun to eat and super healthy!
