In the Roman calendar, December was the tenth month until the addition of January and February at the beginning of the year. In the Northern Hemisphere December has the shortest daylight hours and marks the beginning of winter.</p>

Fruit of the Month: Kiwi
Kiwi is a tiny, yummy fruit full of vitamin C and fiber! It helps fight germs and keeps your tummy happy. You can eat it with or without the skin. Let it ripen on the counter, then enjoy it when it's soft and sweet. Kiwi is fun to eat and super healthy!
