Focus Week Update (from 11/22/24)

We have adjusted the timeline for Focus Week experience signups, as we realize that many families have been negatively impacted by the bomb cyclone. Additionally, the district network is also not cooperating due to power outages. This means that we will be sending out our online Focus Week signups hopefully by Monday. The new timeline will have the online signup request open from Monday, November 25 to the end of the day on December 1.

The "Primary Parent" designated in Skyward will receive an email with a link to a form to complete by December 1, 2024. Please make sure to check your email, so your requests are processed. Take your time as a family and rank order your experiences if you are in grades 6-8 and 10-11. Grades 9 and 12 have grade level overnight trips together as a class. All requests will be consolidated after December 1 and then randomly assigned, so there is no advantage to signing up early. Just make sure to submit by the December 1 deadline.
