

# SUPER STEAM

Winter break will be filled with challenges, projects, activities, field trips, and onsite fun that are STEAM related!

## MONDAY, DEC 23: DISNEY SCIENCE

Come in your pajamas and get ready to unpack the science in various Disney movies through activities and crafts.

## TUESDAY, DEC 24: CLOSED

## WEDNESDAY, DEC 25: CLOSED

## THURSDAY, DEC 26: LEGO ENGINEERS

We will be spending the day becoming engineers and completing Lego challenges. The Science Crew will be coming onsite at 12:45–2:30 p.m.

## FRIDAY, DEC 27: CREATION STATION

Get ready to take part in art projects and challenges that will bring out the creative side in everyone!

We will have an onsite beatboxing performance at 12:30 p.m.

## MONDAY, DEC 30: FOOD LAB

We will have fun making various food items and learn about chemistry along the way.

## TUESDAY, DEC 31: WINTER PARTY

It is time for a winter party. We will do all things winter weather themed: sledding, playing in the snow, making hot chocolate, and so much more.

## WEDNESDAY, JAN 1: CLOSED

## THURSDAY, JAN 2: FUN WITH MOTION

We will be testing out various motion and physics concepts while on a field trip Grand Slam.

## FRIDAY, JAN 3: TECHNOLOGY ALL AROUND

Come spend the day with us as we have fun learning about technology devices, going on virtual field trips, and so much more!

### WHAT TO BRING:

\*Lunch from home (breakfast and snack will be provided)

\*Water bottle

\*Socks (for fieldtrip)

\*Tennis shoes for gym play

\*Winter gear
