School Environment

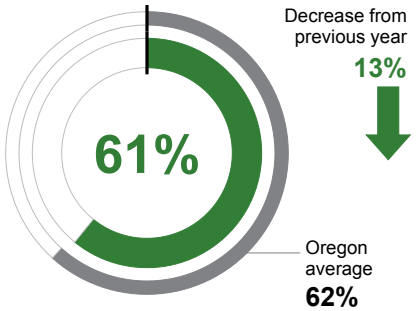

CLASS SIZE

Median class size.

REGULAR ATTENDERS

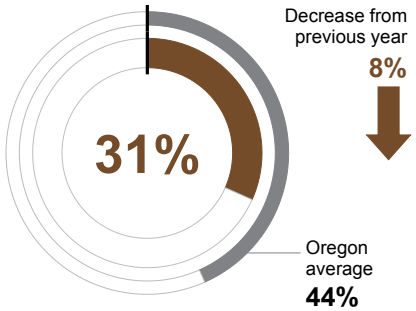

Students who attended more than 90% of their enrolled school days.

Academic Success

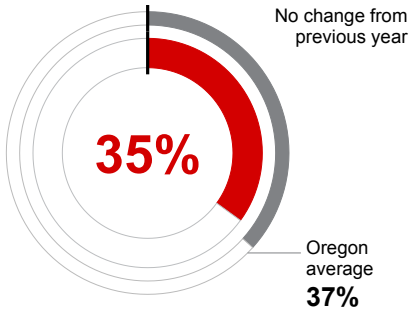

ENGLISH LANGUAGE ARTS

Students meeting state grade-level expectations.

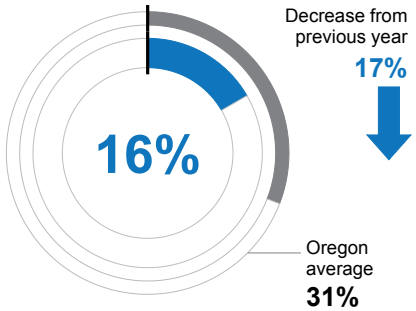

MATHEMATICS

Students meeting state grade-level expectations.

SCIENCE

Students meeting state grade-level expectations.

School Goals

Our school strives to promote student success through fostering relationships, student engagement and literacy. We have been able to maintain smaller class sizes allowing staff to foster relationships not only with students, but families too. Students in grades K-5 are also provided additional reading support to build foundational skills through our Title I program. All staff monitor student learning, providing students with remediation to acceleration.

State Goals

The Oregon Department of Education is partnering with school districts and local communities to ensure a 90% on-time, four year graduation rate by 2027. To progress toward this goal, the state will prioritize efforts to improve attendance, provide a well-rounded education, invest in implementing culturally responsive practices, and promote continuous improvement to close opportunity and achievement gaps for historically and currently underserved students.

Safe & Welcoming Environment

Our school strives to ensure that all students and their families feel safe and welcome while helping each student succeed. We are committed to providing equitable and inclusive environments that bring out the best in each student. All communications are sent to parents via Seesaw, email, or hard copy. Interpreters are provided for parent conferences and other school meetings as needed.

About Our School

BULLYING, HARASSMENT, AND SAFETY POLICIES

Our school has four guiding principles as part of our Billie Spirit program, be kind, be responsible, respectful, and safe. Each classroom teacher provides students with instruction using Steps to Respect in the fall to assist students in identifying bullying and harassment and strategies of how to deal with disrespectful behaviors. Students are encouraged to speak up when they see bullying, harassment, or any safety issues. We emphasize social / emotional learning focused on respect and positive choices. We approach student safety proactively developing school wide safety plans, as wells as practicing emergency protocols.

EXTRACURRICULAR ACTIVITIES

Talented and Gifted / Able Learner Enrichment classes
Oregon Battle of the Books program for students in grades 3-5
Destination Imagination
Sports programs available through Kids Sports, YMCA and Babe Ruth
Community Theater

PARENT ENGAGEMENT

Our school has an amazing community of parents, who log over 300 hours of volunteering per month providing support in our classrooms, helping with field trips and other special activities. Our PTO organizes an annual Jog-a-thon. All funds raised are used to fund excursions, guest speakers and additional activities. Staff regularly communicate with families by connecting them to events happening in the classroom as well as student progress. Families are invited to attend literacy events, evening events showcasing student work, music concerts, and student performances.

COMMUNITY ENGAGEMENT

We partner with local businesses to provide students with learning opportunities within our immediate community as well as county:
Local Farms
Local Businesses
Fire Department
State Parks
Forest Service
Watershed Council
Museums
Each year we hold a food drive to connect our students and community working together collecting food for families in need. Last year we collected over 1500 items
