School Goals

Our plan utilizes input from staff, students, families & community. Hearing all voices ensures we represent each student; It also helps adapt our plan & budget for the future. Our ultimate goal is to make PHSD better than ever! Our top priorities for improvement are reducing academic disparities; meeting mental & behavioral health needs; establishing & strengthening partnerships; providing equitable access to education; & developing strategies ensuring at-risk students are on track to graduate. Finally, teachers & staff need sufficient time to collaborate & review student data related to these priorities.

State Goals

The Oregon Department of Education is partnering with school districts and local communities to ensure a 90% on-time, four year graduation rate by 2027. To progress toward this goal, the state will prioritize efforts to improve attendance, provide a well-rounded education, invest in implementing culturally responsive practices, and promote continuous improvement to close opportunity and achievement gaps for historically and currently underserved students.

Safe & Welcoming Environment

Our school strives to ensure all students and their families feel safe and welcome as we assist every student in being successful. We are committed to provide equitable and inclusive environments bringing out the best in each student. All communications are sent to parents either via email or hard copy. Interpreters are provided for parent conferences and other school meetings as needed.
