Facilities Advisory Committee Meeting

9.17.2024

18360 Caldart Avenue NE

Poulsbo, WA 98370

**Meeting start:** 6:00 pm

**Meeting Facilitators:**

- Michael Davis, Principal Bassetti Architects
- Jordan Kiel, Principal Bassetti Architects

**Discussion:**

Mike Merlino introduced the new Capital Projects director, Luis Adan, and outlined his experience prior to joining NKSD.

The committee had a discussion around the current community perception of the Levy. It was noted there seemed to be limited community awareness and that some resources would be helpful to outline the work proposed at each site. Craig F. noted that he was hearing questions around rebuilding Hilder Pearson ES at the current HPES site. The group discussed that the future school would be smaller than what was previously studied on the site in the February 2024 bond proposal which allows for easier construction of new school.

The committee discussed additional approaches to increase community awareness of the levy. The next steps agreed upon were creating site specific levy handouts and continued community outreach by the committee.

Adjourned: 7:30 pm
